**SCHOOL REPORT**

---

**School Committee**

John Abbott, chairman	Term expires 1927
H. E. Hayes	Term expires 1928
Phillip Hussey	Term expires 1929

**Superintendent of Schools**

WALTER E. LANE

Attendance Officer

A. Benj. Parker

**School Calendar**

Winter Term—12 weeks. Dec. 27, 1926 to March 18, 1927.

Spring Term—10 weeks. April 4, 1927 to June 10, 1927.

Fall Term—14 weeks. Sept. 12, 1927 to Dec. 16, 1927.

Winter Term—11 weeks. Jan. 2, 1928 to March 16, 1928.

**School Holidays**

Nov. 11, Thanksgiving Day; Feb. 22; April 19; and May 30.

**REPORT OF THE SUPERINTENDENT OF SCHOOLS**

To the Superentending School Commtttee of the Town of North Berwick:

I herewith submit the annual report concerning the condition of the schools, for the school year ending January 31, 1927.

**Teachers**

The usual statistical report containing the names of teachers, the schools, enrollment and attendance of pupils, and weekly wages of teachers will be found at the end of this report.

Beginning with the fall term, Miss Helen Freeman, for three years first assistant in the high school, assumed the Principalship, with Mr. Arthur Snow of Blue Hill, Maine and Miss Doris Ackley of Fairfield, Maine, as assistants. Miss Myrtle Lewis was employed to teach the Beech Ridge School. Miss Marion Trafton, later replaced by Miss Lucy Davis was employed to teach Division 4. The remaining schools were opened by the same teaching force as of a year ago. Miss Mildred Marston of Lubec, Maine was hired to teach the Primary Department at the opening of the Winter Term.

Musical instruction has been conducted by Miss Eva Miller of Auburn, Maine. She received her training in New York, graduating from the Institute of Musical Art, later taking graduate work at Boston University.

All teachers are prepared to give their best in the faithful discharge of duty in the service of teaching.

### Health

Owing to a lack of an organization and the resignation of the county nurse, we were unable to obtain a regular part time nurse for our schools. However, a more concerted response from other towns seems evident this year, so that it is quite possible a nurse may be employed. It will be noticed that we have the sum of \$300.00 for this purpose. The county nurse has been able to examine all pupils, and many defects have been noted. I urge that parents have these defects corrected and support the nurse, in this corrective health work. Health conditions have been generally good throughout the year.

### **Books**

The condition of our books at the present time may not be termed entirely satisfactory. While the supply of readers is quite sufficient, there is a lack of short story classics for the intermediate grades. More reference books are desirable for the use of teachers as well as pupils, because of the fact that developments in all branches of industry, science and literature are continuous. Our teachers are the channels that guide youth to sources of information, therefore these sources should be available.

With the constant wear, depreciation and loss, it is necessary to continually replace worn books. The cost per capita is generally estimated to be about \$2.25 a year, the average expenditure being not over this sum. It is evident with a registration at the present time of about 320 pupils an annual appropriation for this account of \$700 is necessary.

### **Supplies and Repairs**

All schools have received a reasonable proportion of supplies for school work. Minor repairs have been made where necessary. The state health officer condemned the urinal in the basement of the village school declaring it a possible source of epidemics. Accordingly a new and substantial outfit has been installed.

### **Special Repairs**

The village school house has had excellent care from year to year, and is in good condition, yet repairs should be made from time to time to prevent excessive depreciation and to keep the building in a good state of preservation. The walls and ceilings

of the various rooms need to be painted, the wainscoting varnished, and the seats and desks treated. There are small openings in the roof where snow and rain may sift through. The cement walk on the south side is crumbling away rapidly. Water dripping from the roof soaks through the ground and wall into the basement. A driveway in front of the building should be completed. It is highly desirable that a sum of money may be raised to make the most urgent repairs in order that too heavy a tax need not be levied in the near future.

### School Activities

School programs of a public nature given with moderation and at such times as not to seriously interfere with class work are beneficial. Public speaking and dramatics may be classed as a part of ones education. A question has been raised in regard to the most desirable manner in which our high school seniors may each year obtain the necessary funds for the Washington trip. A budget system is put into practice in many secondary schools with a high degree of success. If each student would make a practice of putting aside five cents a day for the four years of high school, it would not be necessary to present but two, or three public programs to obtain the funds. This plan should teach thrift among the students, allow more time for other school activities and studies, as well as being a financial benefit to parents of seniors.

A detailed report by the high school principal, Miss Helen Freeman follows.

In conclusion, I wish to state that I am grateful for the cooperation and interest manifested during

the past year, and at this time wish to extend my thanks for this assistance.

Respectfully submitted,

WALTER E. LANE,  
Superintendent of Schools.

---

## HIGH SCHOOL REPORT

To Superintendent W. E. Lane:—

The annual report of the Principal of the North Berwick High School is herewith submitted:

### Registration

The statistics for the registration of 1926-27 are found in Table I. However, I would state here, that in September, 1926, the High School opened with the largest registration in its history, having a total of 84 enrolled. Although 7 have left, 2 of that number transferring to other schools, the loss percentage is the smallest the school has experienced for the last 5 years.

### Housing

With the large number in attendance at the opening of the school year, the seating capacity of the High School was taxed, and should the increase in the coming years be on the same ratio as the past four, the problem would demand instant attention. As it is well known, although present conditions are sufficient for actual seating, yet the High School is under the handicap of having no room large enough to seat, in any degree of comfort, the entire student body for an Assembly.

The condition of the boys' basement has been remedied. Dr. Pepper of the State Board of Health condemned existing conditions. During the Christmas Recess the work was begun by the Hussey Manufacturing Company and now the new outfit is in working order. It insures sanitary conditions which are essential to health, and has done away with a problem that was a constant annoyance to all immediately concerned.

### Curriculum

Our course of study for the school year of 1926-1927 is similar to that in former years, which is from necessity restricted due to the fact that the faculty is composed of but three teachers.

However, I would recommend some changes for the coming school year, all facts concerning them being given in Tables II and III. As may be seen by a study of these Tables, more courses will be offered to the students, all requirements of a Class A High School will be fulfilled, and the individual teacher will not be required in any one year to teach any more classes than under the present schedule.

### Scholarship

The average rate of scholarship in the North Berwick High School for the past year is 78% which compares most favorably with that of other schools. It is true outside activities are a reason for a low average, but more than any one thing, irregular attendance is the cause for the majority of failures. Any boy or girl whose attendance averages to 1 day lost out of every 10, soon gets behind and as a result loses interest and courage. Then, too,

an absence excused is not an absence made up until the work for the time absent is done. The excuse only grants one the privilege to make up the work if he so desires.

I would also at this time like to present the fact that there is no disgrace in taking five years to complete one's High School education. It seems to be the consensus of opinion that a boy or girl attending this High School for four years, regardless of circumstances, should receive a diploma. If not, the student shall be sent to some other school, or cease to attend school altogether. Statistics of neighboring and larger schools prove that it is not at all out of the ordinary for students to attend a High School or Academy for five years before securing the necessary credits for graduation. Also in other communities it is not considered a particular sign of dullness on the part of the student. As stated above, irregular attendance, outside activities, together with immature minds, athletics to some extent, and the fact that some students are obliged to work outside of school, all tend to make it hard for one to pass the subjects every year. But why throw down one's home High School or give up an education? Five years find a student still young enough for college, or to start in work. The race is not always to the swift.

### Athletics

Athletics are a recognized part of every High School curriculum. In the past two years foot-ball has been added as a major sport. Now that it is established and the equipment secured it will be no more expensive to carry on than basket-ball.

Due to the lack of a gymnasium the financing of the Athletics prove rather expensive, nevertheless, the treasury is once more solvent. The loyal support of the citizens is deeply appreciated.

### Other Activities

The Student Council News, started last year, is continued although issued only once in two weeks. This year it is supported only by subscription as no advertising material appears in it.

The Annual Prize Speaking has been made particularly a Junior event although open to volunteers from all classes.

The School Orchestra is progressing excellently and at the present writing includes 11 pieces. The Student Council has voted to give letters to the regular members as a token of their service to the school.

The morale of the school is very good. The students are ready and willing to comply with any suggestion or request. The school spirit seems to be much more in evidence, and the student body, on the whole, displays good citizenship.

In conclusion, permit me to express my sincere appreciation to the citizens and parents, and to all those who have shown their interest in our school. Also I wish to assure you that you are most welcome visitors, at all times, and that your constructive criticism will be a great help.

Respectfully submitted,

HELEN M. FREEMAN,  
Principal.

**Table II.**  
**COURSE OF STUDY 1927-28**

<b>Year</b>	<b>Required</b>	<b>Electives</b>
<b>First Year</b>	English Civics Algebra	Latin General Science
<b>Second Year</b>	English Geometry Ancient History	Biology Latin
<b>Third Year</b>	English III-IV. Modern History	(Select 2) *Physics III-IV. French I. Latin III-IV. Social Problems III-IV. Social Problems III-IV.
<b>Fourth Year</b>	English III-IV. Modern History	*Physics III-IV. French II and III. Latin III-IV. Adv. Math.

Notes:—4. There will be no French III. offered 1927-28 but the curriculum in Table III. will explain how that subject will be treated in succeeding years.

2. To those Seniors who took Chemistry their Junior year, Physics is only an elective. If Chemistry was not taken, Physics must be, as one major Science is necessary.

3. Juniors not desiring to elect Physics, must consider the fact that Chemistry must be taken Senior year for reason above stated in Note 2.

4. Credit will be given any student who presents a statement written by his music teacher stating that for the equivalent of a school year, 36 weeks, said student has made satisfactory progress in his study of music. This statement is to be filed in the Principal's office.

**Table III.**  
**COURSE OF STUDY**

<b>Year</b>	<b>Required</b>	<b>Electives</b>
<b>First Year</b>	English Civics Algebra	Latin General Science
<b>Second Year</b>	English Commercial Arithmetic or Geometry (alternating) Ancient History	Latin Biology
<b>Third Year</b>	English III-IV. *Modern or American History (alternating) Commercial Arithmetic	*Physics or Chemistry (alternating) French I. Latin III-IV. (alternating) Social Problems III-IV.
<b>Fourth Year</b>	English III-IV. *Modern or American History (alternating)	*Physics or Chemistry (alternating) French II. Latin III-IV. (alternating, Adv. Math. Social Problems III-IV.

Notes:—4. American History is a required subject, but Modern History will be an elective the year it is offered.

2. Either Physics or Chemistry is required for graduation. It is optional with the student as to which subject is taken.

3. French III. is omitted as the colleges only give credit for two years of French, and the omission gives opportunity for another course.

4. The above curriculum offers to any student during the 4 years a variety of 24 courses.

### HONOR ROLL

#### Pupils Not Absent From School One Half Day

---

##### PRIMARY

Winter Term—Edith Goodwin.

Spring Term—Elizabeth Kimball, Arthur Morse, Bernard Tibbetts, Edith Goodwin, Roger Thompson, Ralph Davis, Verner Brooks.

Fall Term—Margaret Lane, Robert Swett.

##### GRADES TWO AND THREE

Winter Term—Elizabeth Lane, Edith McKinnon, Margaret Bickford, Carroll Moulton.

Spring Term—Leslie Ford, Elizabeth Lane, Elroy Littlefield, Edith McKinnin, Dorothy Murdo, Eleanor Neal, Florence Weymouth, Robert Allen, Bertha Hatch, Craig Lane, Ronald Neal, Robert Pickett, Ruth Staples, Kendrick York.

Fall Term—Elizabeth Lane, Edith McKinnin, Ralph Hamor.

## GRADES FOUR AND FIVE

Winter Term—Phyllis Carpenter, Ruth McCrel-  
lis, Glendon Cole, Wm. Littlefield, Oliver Neal, Mary  
Sherburne, Paul Staples, Foster Tibbetts.

Spring Term—Marshall Abbott, Phyllis Carpen-  
ter, Earle Goodwin, Richard Goodwin, Ruth McCrel-  
lis, Doris Pierce, Mary Elizabeth Staples, Elwood  
Abbott, David Abbott, Roberta Adams, Doris Eldridge,  
Wm. Littlefield, Oliver Neal, Mary Sherburne, Paul  
Staples, Ruby Steers, Foster Tibbetts, Elinor York.

Fall Term—Cleve Kimball, Robert Kimball, Wil-  
lis Moulton, Mary E. Staples, Dexter Abbott, Law-  
rence Allen, Craig Lane.

## GRADES SIX AND SEVEN

Winter Term—Emerson Staples, Elmer Boyle,  
Kendrick Mathews, Fula Wyman, Marjorie Estes.

Spring Term—Marion Allen, Ruby Allen, Eliza-  
beth Brown, Bernice Davis, John Davis, Elsie Hatch,  
Emily Lord, Erma Sanville, Roger Steere, Paul  
Towne, Robert Welch, Russell Adams, Anna Davis,  
Curtis Goodwin, May Kennedy, Lawrence Kimball,  
Kendrick Matthews, Fula Wyman, Floyd Randall.

Fall Term—Glendon Cole, Wm. Littlefield, Fran-  
cis Neal, Oliver Neal, Mary Sherburne, Elinor York,  
Roger Steere.

## GRADES EIGHT AND NINE

Winter Term—Nellie Littlefield, Stella Little-  
field, Elsie Meserve, Dorothy Tibbetts, Dorothy Allen,  
Marjorie Chadbourne, Elizabeth Hayes, Betty Mat-  
hews, Vinton Neal, Etta Renshaw.

Spring Term—Lester Brooks, Barbara Hurd, Nellie Littlefield, Stella Littlefield, Dorothy Littlefield, Elsie Meserve, Dorothy Tibbetts, Paul Thompson, Dorothy Allen, Ernest Allen, Edwin Boston, Jennie Brown, Marjorie Chadbourne, Betty Matthews, Etta Renshaw, Harland Sillon, Mona Chalmers.

Fall Term—Curtis Goodwin, Lawrence Kimball, Mabel LaBreck, Robert Stone, Lester Brooks, Nellie Littlefield, Stella Littlefield.

### HIGH SCHOOL

Winter Term—Thomas Abbott, Lloyd Birch, Nancy Estes, Alice Wright, Donald Brooks, Donald Day, Franklin Neal, Lawrence Thompson, Ella Johnson, Florence Randall, Ruth Wyman, Roger Brown, Lawrence Howard, Jean Littlefield, Lloyd Neal, Wayne Roberts, Walter Sundstrom.

Spring Term—Russell Humphrey, Edward Wiley, Alice Wright, Donald Boyle, Donald Brooks, Milton Dustin, Everett Grover, Raymond Hayes, Donald McCrellis, Margaret Murdo, Franklin Neal, Lawrence Thompson, Stacy Thompson, Ella Johnson, Ruth Wyman, Ralph Allen, Roger Brown, Lawrence Howard, Lloyd Neal.

## **ANNUAL TOWN MEETING WARRANT STATE OF MAINE**

---

COUNTY OF YORK, SS

To Floyd R. Johnson, Constable of the Town of North Berwick in said County of York.

### **GREETING:**

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of said town of North Berwick, qualified by law to vote in town affairs, to meet in Commercial Hall in said North Berwick, on Monday, March 14th, 1927, at ten o'clock in the forenoon to act on the following articles, to wit:

1. To choose a moderator to preside at said meeting.
2. To see what action, under Chapter 92 of the Public Laws of 1919, the town will take in regard to Road Commissioner or Commissioners, to wit:

I. Will the town elect by major vote a road commissioner or commissioners?

II. Will the town vote to instruct the Selectmen to appoint a road commissioner or commissioners?

III. Do the voters desire the Selectment to act as Road Commissioners?

3. To choose and elect all necessary town officers for the year ensuing.

4. To see if the town will appropriate and raise the necessary money for maintenance and support of schools for the year ensuing.

5. To see if the town will appropriate and raise the necessary money for maintenance and support of a free high school for the year ensuing.

6. To see if the town will appropriate and raise the necessary money for school, repairs and upkeep of school buildings for the year ensuing.

7. To see what sum of money the town will appropriate and raise for school superintendence for the year ensuing.

8. To see if the town will vote to raise a sum of money for special repairs to be made on the village school buildings, and appoint a committee for the same. On recommendation of W. E. Lane, Supt. of Schools.

9. To see if the town, under the provisions of Revised Statutes, Chapter 25, Section 21, as amended by Chapter 258, Section 21 of the Public Laws of 1917, will vote to appropriate and raise for state aid roads the sum of Three Thousand Dollars, that sum being five times the maximum amount which this town may an-

nually appropriate under section 18 of Chapter 25 of said Revised Statutes.

10. To see if the town will vote "yes" or "no" on the question of appropriating and raising money necessary to entitle the town to State Aid, as provided in Section 19 of Chapter 25 of the Revised Statutes of Maine.

11. To see if the town will appropriate and raise the sum of Six Hundred Dollars for the improvement of the section of State Aid road as outlined in the report of the State Highway Commission, in addition to the amounts regularly raised for the care of ways, highways and bridges. The above amount being the maximum which the town is allowed to raise under the provision of Section 18 of Chapter 25 of the Revised Statutes of Maine.

12. To see whether the town will vote to raise money, and what sum, for the maintenance of State Aid Highways, during the ensuing year, within the limits of the town, under the provisions of Section 17 of Chapter 25 of the Revised Statutes of Maine.

13. To see if the town will vote to raise a sufficient sum of money to pay its proportion of the expense of the patrolled roads, including the assessment of State Road between Wells and Berwick line.

14. To see if the town will vote to raise the sum of \$50.00 for the so-called 50-50 maintenance of patrolled roads.

15. To see if the town will raise the sum of \$400.00 to build a piece of permanent road beginning at the end of the Clark Road and build to the foot of the Springbrook Hill, so-called, in Beech Ridge District. Agree-

able to the petition of Samuel H. Stillings and eleven others.

16. To see if the town will vote to appropriate and raise a sufficient sum of money to continue the tar patching and the tarvia topping of the roads.

17. To see if the town will vote to raise the sum of \$200.00 to repair Nowell Street. Agreeable to the petition of Howard Foster and sixteen others.

18. To see if the town will vote to repair the road leading from the South Berwick line past the residence of Mrs. Mary Varney for a distance of about 400 feet and raise a sum of money for the same. Agreeable to the petition of Albert W. Boyd and eight others.

19. To see if the town will vote to appropriate and raise such sums of money as may be necessary for general repairs of roads, bridges and sidewalks.

20. To see if the town will vote to expend the income of the Judge Hobbs Trust Fund, for the coming year, on the Lebanon road, starting at the end of the permanent road near the residence of Lucy Estes and building in an easterly direction past the residence of Hiram Hall. Agreeable to the petition of Nicholas Weymouth and eleven others.

21. To see what sum of money the town will raise to break the roads and clear the sidewalks in winter.

22. To see if the town will vote to raise such sum of money as may be necessary for the care and maintenance of the poor.

23. To see what sum of money the town will vote to raise for hydrants and rentals for the ensuing year.

24. To see what sum of money the town will vote to raise for the fire department for the year ensuing.

25. To see if the town will elect one or more fire wards, fix their compensation and raise money for the same.

26. To see what sum of money the town will vote to raise for electric lights for the year ensuing.

27. To see if the town will vote to install an electric light on Church Avenue covering the distance between the Butler house and corner of Main Street. Agreeable to petition of J. Elmer Fall and eleven others.

28. To see what sum of money the town will vote to raise for contingent and incidental expenses for the year ensuing.

29. To see what sum of money, if any, the town will raise to defray the expenses of the observance of Memorial Day, and to whom the money raised shall be paid.

30. To see what sum of money the town will raise for interest upon town date.

31. To see what sum of money the town will raise for the payment upon town debts.

32. To see if the town will vote to buy a tractor and snow plow, or take any action whatever in regard to snow removal for the ensuing year. Agreeable to the petition of Philip W. Hussey and twelve others.

33. To see if the town will vote to accept for all the inhabitants thereof from Daniel A. Hurd the lot of land with the D. A. Hurd Memorial Library thereon, and to see what sum of money the town will vote to maintain and run the same.

34. To see if the town will instruct the Selectmen in regard to tax deeds now held by the town, and also in

regard to the taxation of the North Berwick Water Company.

35. To see if the town will appoint a committee with instructions to draft and submit to the town at some future meeting, for approval, by-laws and ordinances, in accordance with the provision of Chapter 4, Section 98 of Revised Statutes.

36. To see if the town will vote to fix the time for the payment of taxes assessed for the year 1927, and determine the rate of interest to be paid on overdue taxes.

37. To see if the town will instruct the municipal officers to make such temporary loan as would be necessary to take care of the running expenses of the town until the taxes can be collected to take care of same.

38. To see if the town will vote to establish the salary per diem of its several officers in cases where no compensation is fixed and determined by law, including the Health Officer recently appointed under the provisions of Chapter 172, Section 10, of the Public Laws of 1919.

39. To transact any other business that may legally come before said meeting.

The Selectment give notice that they will be in session for the purpose of correcting the list of voters, in said town, and hearing and deciding upon the application of persons, claiming to have their names entered upon said list, at the Selectmen's Room in said Commercial Block on March 10th, 11th and 12th A. D. 1927, from 2 p. m. to 3 p. m. on each of said days.

Given under our hands this Twenty-Third day of  
February A. D. 1927.

M. L. RANDALL,

E. E. STEWART,

H. C. HALL.

Selectmen of Town of North Berwick, Maine.....

A true copy. Attest:

FLOYD R. JOHNSON.

Constable of said North Berwick.

### AUDITOR'S REPORT

---

North Berwick, Maine, Feb. 15, 1928.

This is to certify that I have audited the accounts of the Selectmen, Treasurer and Collector as submitted by them in this report for the fiscal year 1927 and find them correct.

J. E. ABBOTT,

Auditor

---

### SCHOOL REPORT

---

#### School Committee

Mr. H. E. Hayes, chairman	Term expires 1928
Mr. Philip Hussey	Term expires 1929
Mr. John E. Abbott	Term expires 1930

---

#### Superintendent of Schools

WALTER E. LANE

Attendance Officer

Mr. Benj. A. Parker

---

### School Calendar

Winter Term—12 weeks. Jan. 2, 1928 to Mar. 23, 1928.

Spring Term—10 weeks. Apr. 9, 1928 to June 15, 1928.

Fall Term—14 weeks. Sept. 10, 1928 to Dec. 14, 1928.

Winter Term—11 weeks. Dec. 31, 1928 to Mar. 14, 1928.

---

### School Holidays

Feb. 22, April 19, May 30, Nov. 11 and Thanksgiving Day.

---

### Report of the Superintendent of Schools

To the Superintending School Committee of North Berwick:—

I herewith submit the annual report concerning the condition of the schools for the year ending January 31st 1928.

---

### Teachers

The teaching force remains the same as of a year ago, with two exceptions. Miss Stephanie Randall of Sanford, a graduate of Gorham Normal School is teaching at Division Four. At the opening of the winter term, Miss Frances Hubbard of No. Yarmouth began teaching at Division Thirteen. Further details may be obtained from the statistical report occurring at the end of the school report.

In all schools a good standard of work is being maintained. This is borne out by the fact that the students from No. Berwick High School now attending College and Normal School, are obtaining high marks, all being in excellent standing. It is worthy of note that about 50% of the last graduating class of seventeen students are now attending higher institutions of learning.

### **Health**

It will be noticed that more pupils than usual were absent during the fall term. This was due in part to an epidemic of whooping cough which was raging at the opening of the fall term. This was closely followed by an outbreak of Infantile Paralysis, which fortunately affected only one student. It seemed advisable to offer a free vaccination to all students. About eighty received the treatment against small pox, nearly all being successful. This vaccination program, which is a state regulation, should be carried out yearly during the month of June, until all have received the benefit. Surely we cannot ignore the terrible small pox disasters of the past, nor can we pass over the fact that American is still infested with the disease, being second as a nation in the number of cases in recent years.

Our health nurse has been a great help to us this year. She has been the means of correcting many defects in children, travelling many miles in order to bring isolated cases to a physician for treatment. I firmly believe that financial support for better health should become a regular part of our school program. I wish to call attention to the report of our school nurse, Miss Edna Avery.

### **Repairs**

Funds for repairs have been expended according to

your recommendation. In addition to the usual and recurring general expenses for repairs, special repairs were carried out as follows: a boys urinal was placed in the boys basement as reported a year ago, the expenses for which was drawn on this repair fund; the roof was repaired and the foundation walls reinforced. The examination of the roof of the village school showed that more extensive repairs were needed than at first expected. It was necessary to replace many of the slates which could not be cemented. The guard rail was painted to prevent further rusting. It was found that the chimney on the east side of the building has a rather large vertical seam above the roof which should be strapped with a band of metal soon.

An attempt was made to check the action of the frost in heaving the foundation of the school building, also to prevent the water from entering the basement thru the walls. This was done by cementing and reinforcing the outside walls of the building to a depth below the basement floor. A dependable anti-leak compound was mixed with the cement to accomplish this purpose. The heavy rains of last August proved a good test of the work, very little water came into the building and that was later found to enter above the renewed foundation, for the most part about the windows. A contract was made with Brown and Berry of Portland for material and a foreman. By employing local help for most of the work the expense was cut down several hundred dollars. The local bills have been paid, but Brown and Berry's bill is yet unpaid as you will note by the financial report.

The most imperative needs for improvement, namely repairing the roof and basement, have been attended to. However, the old hot air furnaces that have been in constant services for over twenty years are in poor

condition and expensive to operate. They must be renewed in the near future. The interior of the building is in great need of paint and varnish to preserve its appearance and keep it sanitary. The walls and ceilings are badly smoked, not having been painted since Miss Hobbs was acting as Superintendent of Schools. I urge that you appropriate \$1,500.00 or more to carry on this repair work.

The school house at Division Nineteen should be shingled this summer, since water from rain storms comes thru in several places.

### **Miscellaneous**

Schools at Division Four and Thirteen in the last few years have steadily decreased in numbers until their average attendance has fallen below eight. Accordingly by law these schools automatically close and await the disposition of the town as to whether a school will be maintained in these districts for the ensuing year.

In conclusion, I wish to express my appreciation for your continued help and cooperation in the past year.

Respectfully submitted,

WALTER E. LANE,

Superintendent of Schools.

---

### **HIGH SCHOOL REPORT**

To Superintendent Walter E. Lane:—

The annual report of the Principal of the North Berwick High School is herewith submitted.

### **Registration**

The enrollment for 1927-28 totals, at the present writing, 60 pupils, 10 having been lost since the opening school in the Fall. However as 6 of the 10 who have left school have moved from town, while 2 have been forced to leave due to ill health, the attendance, per capita, is normal. The registration by classes is as follows: Seniors — 13; Juniors — 13; Sophomores — 14; Freshmen—20.

### **Yard and Building**

The building is exceptionally well cared for, receiving the very best of janitor service. However, the walls and ceilings need tinting and whitening very badly, and the question of lighting should be seriously considered. Under the present condition only the Senior and Junior room and the corridors have electric lights. Dark days the eyes of the students are severely taxed, a criticism that should not be possible to make of any modern school building and one that should be remedied at once.

The yard has taken on more of the aspect of a playground. A backboard with basket has been attached to the flag-pole, which has afforded amusement and practice for those interested in basketball. The school and town are indebted to the Community Club for the erecting of a Giant Stride. More equipment of this nature will be of great help in overcoming the problems of recreation in a centralized school building such as ours.

### **Curriculum**

The course of study suggested last year is proving very successful, the new courses proving popular. The percentages of students in various courses is as follows:

English—100%; History (including Civis, Ancient, Modern, Social Problems)—117%; French—40%; Latin—28%; Science (including Physics, Biology, General Science)—55%; Mathematics (including Commercial Arithmetic, Geometry, Advanced Mathematics)—70%;

The teaching load is as follows:

Teachers	Classes	No. Pupils	Extra Activities
Miss Ackley	7	50	Girls' Basketball
Mr. Snow	6	85	Athletics
Miss Freeman	6	121	Dramatics
			General Supervision, Athletics.

### Scholarship

The average rate of scholarship for the First Semester is 78%. Considering the more than average breaks in attendance that the school has suffered, this percent is very good.

Further proofs of the high standard of the school are the record of our college students, and the fact that the New England Certificate Board has offered the school the opportunity of renewing the certificate privilege for a period of 4 years, rather than 2, as has been the option in the past. This renewal is based on the successful work of North Berwick High's students for the past year.

### Athletics

The High School is to profit greatly by the use of the new athletic field, which has been secured by the Community Club. Although too late to be of any value to the football season, it will be in fine condition for the opening of baseball. A suitable field for athletics has been a long-felt need in our town, and now that this is

secured, the next problem in athletics is that of overcoming the exceedingly heavy expense of maintaining basketball, due to the rates charged for the Commercial Hall.

### Washington Fund

As long as the graduating classes continue the custom of the Washington trip so long will the problem of raising the necessary money present itself to students, school officials, and townspeople.

The system of the past has its disadvantages. First, the student's primary interest is the increasing of the class treasury, to the detriment of his school work. Second, the townspeople are constantly being asked, in one way or another, for money. Third, the parents especially, are under additional expense. Fourth, the numerous activities of the Seniors monopolize the available dates for not only school functions, but for even outside, that is, the town's activities. Any community can support only so much; and if one element secures the majority of the income, the rest naturally suffers.

The High School needs a saving system that is strictly followed and enforced. Such a plan has been presented, but with the acceptance of it voluntary on the part of each class. The Freshman, Sophomore, and Senior classes, although the latter starts too late to reap the full benefits, are working upon this suggestion.

The plan is this:—Freshmen year each member of the "class pays 1c for every day in the week, for the weeks that school keeps,—thus every Freshman pays 7c for 36 weeks to the class treasurer. This sum is put in the Savings Department at the bank, where it may draw interest. Sophomore, Junior and Senior years, each

student pays 5c per day for each day that school actually is in session. As a result, the Senior class, that has adhered to this plan for four years, does not feel the urge of raising such a large amount of money in one year, and so there will be plenty of opportunity for school and community affairs.

To any student leaving school before the Senior year, the actual amount he has put in, may be drawn out. In brief, it is a practical lesson in thrift and saving. The advantage of each paying through the class, rather than as individuals, are that the interest accumulated on the money is larger, and that people will do under organization what they will not do as individuals.

This plan, or a similar one, should be made a part of the school curriculum as it is in neighboring schools where the Washington Trip is enjoyed.

### **Student Council**

The Student Council and the Student Council News are being carried on successfully. The News has a growing list of purchasers, outside of the students, and should do much to foster and maintain the interest in school activities. The school is indebted to the Council for the maintenance of the school telephone.

In conclusion, I wish to express my gratitude for all cooperation and interest received in the past year.

Respectfully submitted,

HELEN M. FREEMAN,

Principal.

---

**REPORT OF HEALTH NURSE**

---

During the year 1927, every school in North Berwick was visited at least once and some even more. Every pupil present at the time of the nurse's visit was given their annual inspection.

288 children were inspected with the following results: ...

179 had one or more defects, 46 were 10 percent or more underweight, 10 were 20 percent or more underweight, one 40 percent under weight, nine 20 or more percent overweight, 47 with defective throats, and 111 were in need of dental care.

The inspection in January, 1928, was as follows:

Children inspected 223; 150 had one or more defects, 26 were 10 percent or more underweight, 45 with bad throats, 81 needed dental care, one was 40 percent underweight and 11 were 20 percent or more overweight.

From this report, you can easily see that there has been a great many corrections. Children are visiting the dentist oftener, having their throats taken care of and are learning to eat correctly and observing the general rules of health so as to gain in weight.

It is impossible to give the number of corrections that followed the visit of the nurse, but the number is large. Notices were sent home to every parent. The nurse has made numerous home visits in interest of the children.

Two children were taken to the clinic in Biddeford for tonsilectomy, and later sent to the seashore for rest and care.

Dr. Lightle, with the assistance of the county nurse, Miss Edna Avery, vaccinated 78 children for smallpox. This required three or four visits to each school for arrangements and treatment.

A Child's Health Conference was held in the church, and Dr. Wm. E. Lightle examined 23 pre-school children and babies. The doctor was assisted by the two county nurses, Miss I. C. Johansen, R. N. and Miss Edna Avery, R. N. The interest shown at this conference was wonderful and the mothers were greatly pleased. It is hoped that this is to be a yearly clinic.

An analysis of physical inspection of school children shows that most defects are listed under the heading of malnutrition, defective vision, impaired hearing, abnormal throat conditions, nasal obstruction, and defective teeth. These defects, if not corrected, seriously hamper the child's progress in school and may produce a harmful lasting effect on health later in life. If we correct these defects in childhood we are safe-guarding the health of future citizens and the prosperity and well-being of our nation. The child in good health is a better pupil. The man or woman in good health is a better citizen.

The school program for this year in the Maine Public Health Association is to promote as many "Six-Point" children as possible. A "Six-Point" child is one who measures up to the minimum standards as indicated by physical inspection of the following points:

1. Vision—Child should be able to read line marked 20 at a distance of 20 feet, or have glasses which are properly fitted.

2. Hearing—Child should hear a whisper at a distance of 20 feet.

3. Teeth—Teeth reasonably clean and no exposed roots or unfilled cavities or evidence of any disease present which can be corrected.

4. Throat—Child has no symptoms of trouble with throat or nasal obstruction and is not a mouth breather.

5. Weight—Child is not 10 percent or more underweight or not 20 percent or more overweight.

6. Posture—Child has excellent posture in sitting, walking, and standing.

To encourage pupils to strive to become "Six-point" children, the Maine Public Health Association will furnish "Six-Point" Buttons which will be awarded during the month of May, Child Health Month, to all who were "Six-Point" children throughout the year, also to those who have had their defects corrected, placing themselves in that group.

We ask your cooperation in helping your town to have as many "Six-Point" children as possible. A healthy child is the town's greatest asset.

Respectfully submitted,

EDNA AVERY, R. N.,

Staff Nurse

Maine Public Health Association.

## ANNUAL TOWN MEETING WARRANT

### STATE OF MAINE

---

COUNTY OF YORK, SS.

To Floyd R. Johnson, Constable of the Town of North Berwick in said County of York.

#### GREETING:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of said town of North Berwick, qualified by law to vote in town affairs, to meet in Commercial Hall in said North Berwick, on Monday, March 12th, 1928, at ten o'clock in the forenoon to act on the following articles. to wit:

1. To choose a moderator to preside at said meeting.
2. To see what action, under Chapter 92 of the Public Laws of 1919, the town will take in regard to Road Commissioner or Commissioners, to wit:
  - I. Will the town elect by major vote a road commissioner or commissioners?
  - II. Will the town vote to instruct the Selectmen to appoint a road commissioner or commissioners?

III. Do the voters desire the Selectmen to act as road commissioners?

3. To choose and elect all necessary town officers for the year ensuing.

4. To see what sum of money the town will appropriate for support of common schools, for high school, for text books and for supplies.

5. To see what sum of money the town will appropriate for upkeep and necessary repairs of school buildings for the ensuing year.

6. To see if the town will vote to raise \$575.00, amount due contractors for services and material used in repairing village school building.

7. To see if the town will raise money to hire a Public Nurse, such action being authorized by Section 58, Chapter 140, of the Public Laws of 1925, also to see if the town will vote and raise a sum of money to aid and support the County Nursing Service.

8. To see what action the town will take either in maintaining or in closing the schools in division 4 and 13, such action being authorized by Revised Statutes, Chapter 16, Section 2, as amended by the Public Laws of 1921, Chapter 114. On recommendation of Superintending School Committee.

9. To see if the town will vote "yes" or "no" on the question of appropriating and raising money necessary to entitle the town to State Aid, as provided in Section 19 Chapter 25 of the Revised Statutes of Maine.

10. To see if the town will appropriate and raise

the sum of Six Hundred Dollars for the improvement of the section of State Aid Road as outlined in the report of the State Highway Commission, in addition to the amounts regularly raised for the care of ways, highways and bridges. The above amount being the maximum which the town is allowed to raise under the provision of Section 18 of Chapter 25 of the Revised Statutes of Maine.

11. To see whether the town will vote to raise money, and what sum, for the maintainance of State Aid Highways, during the ensuing year, within the limits of the town, under the provision of Section 17 of Chapter 25 of the Revised Statutes of Maine.

12. To see if the town will vote to raise a sufficient sum of money to pay its propotion of the expense of the patrolled roads.

13. To see if the town will vote to raise the sum of \$50.00 for the so called 50-50 maintainance of patrolled roads.

14. To see if the town will raise the sum of Two Hundred and Fifty Dollars, said sum not less than 8% of the amount of appropriation, for maintainance of Third Class Roads and for cutting and removing bushes, so that this town may be entitled to its apportionment of the Third Class Highway Fund.

15. To see if the town will appropriate the sum of Five Hundred Dollars to repair Maple Street from Roy Littlefield's to J. G. Goodwin's. Agreeable to the petition of John S. Leslie and seventeen others.

16. To see if the town will grant and raise the sum of Five Hundred Dollars to improve the highway be-

tween the residence of Joseph Weymouth and the Chadbourne farm, so called. Agreeable to the petition of Ernest G. Brooks and eight others.

17. To see what sum of money the town will vote to raise to defray the expense of raising the level of the sidewalk to the level of the street, and properly drain the same, on the northerly side of Lower Main Street, commencing at a point directly east of the B & M R. R. crossing (Eastern Div.) and continuing to the intersection of Dyer Street. Agreeable to the petition of Everett C. White and forty others.

18. Whereas the Boston and Maine Railroad petitioned the Public Utility Commission to raise twelve inches the present Junkins Bridge with its approaches; and whereas the Town of North Berwick by its Selectmen petitioned said Commission to change the location and construction of said bridge and its approaches in order to remove the danger to travellers using said highway; and whereas after several hearings and due considerations of all evidence touching said subject matters said Commission have made known to all parties concerned that they propose to order and decree changes in the location and construction of said bridge and its approaches:

Now, therefore, to see if the town will vote to authorize its Board of Selectmen, in behalf of said town, to do any and all acts on said town's part in building said new bridge and its approaches, including authority to enter into and sign in behalf of said town all necessary agreements and contracts proposed by said Commission for the construction of said bridge and its approaches, also to see if the town will decide by its votes whether said new bridge will be constructed with or without a

sidewalk thereon; also to see if the town will vote to authorize its Selectmen to raise by temporary loan such sum of money as may be necessary to pay said town's proportional part of the costs of construction of said new bridge and its approaches.

19. To see if the town will vote to appropriate and raise a sufficient sum of money to continue the tar patching and the tarvia topping of the roads, and especially the road leading from the Harvey Corner to the Box Hill.

20. To see what sum of money the town will vote to raise to grade and surface with tarvia Lower Main Street from the point easterly of the B & M R. R. crossing to a point opposite the terminaion of sidewalk in front of the H. P. Hilton residence. Agreeable to the petition of Everett C. White and forty others.

21. To see if the town will vote to appropriate and raise such sums of money as may be necessary for general repairs of roads, bridges and sidewalks.

22. To see where the town will vote to expend the income of the Judge Hobbs Trust Fund, for the coming year.

23. To see if the town will vote to expend the income of the Judge Hobbs Fund on the Oak Woods Road, socalled, beginning at the point where said road enters the Sanford to North Berwick State Road, and build a piece of permanent road towards the residence of Hervey E. Wentworth. Agreeable to the petition of Alfred W. Morrell and nine others.

24. To see if the town will vote to expend the interest of the Judge Hobbs Trust Fund on the Lebanon

Road, starting at the point left off last year and building toward the village, past the residence of Hiram Hall. Agreeable to the petition of Nicholas E. Weymouth and eight others.

25. To see if the town will vote to raise \$1000 for a permanent piece of road beginning at Chadbourne's Corner and leading by residence of Libby J. Staples towards Sanford town line. Agreeable to petition of Sumner E. Hammond and eleven others.

26. To see what sum of money the town will raise to break the roads and clear the sidewalks in winter.

27. To see if the town will vote to raise such sum of money as may be necessary for the care and maintenance of the poor.

28. To see what sum of money the town will vote to raise for hydrants and rentals for the ensuing year.

29. To see if the town will vote to relocate the hydrant in front of the Bank Building. Agreeable to the petition of C. W. Goodwin and ten others.

30. To see what sum of money the town will vote to raise for the fire department for the ensuing year.

31. To see if the town will elect one or more fire wardens, fix their compensation and raise money for the same.

32. To see what sum of money the town will vote to raise for electric lights for the ensuing year.

33. To see if the town will vote to install an electric light near the residence of Fred A. Estes and make

an appropriation therefor. Agreeable to the petition of Fred A. Estes and fourteen others.

34. To see what sum of money the town will vote to raise to establish and maintain an additional street light on Lower Main Street, the said light to be installed at a point equal distance between the light now located at the corner of Dyer Street, and the light located near the residence of Julia Lawson. Agreeable to the petition of Everett C. White and forty others.

35. To see what sum of money the town will vote to raise for contingent and incidental expenses for the year ensuing.

36. To see what sum of money, if any, the town will raise to defray the expenses of the observance of Memorial Day, and to whom the money raised shall be paid.

37. To see what sum of money the town will raise for interest upon town debt.

38. To see what sum of money the town will raise for the payment upon town debts.

39. To see what sum of money the town will vote to raise towards the expenses and maintainance of the D. A. Hurd Memorial Library.

40. To see what sum of money the town will vote to grant and raise to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine.

41. To see if the town will vote to approve the fol-

lowing list of jurors prepared for the town's approval; or by a majority vote of the voters assembled strike out such names as they think proper from such list, as provided by Revised Statutes, Chap. 111, Section 1.

Orin Allen. Woodbury E. Weymouth, Almon Allen. Maynard Randall. Elmer H. Billings, Ernest C. Ridlon, Earle Carter, Charles W. Quint, Fred Downs, Fred G. Neal, William W. Renshaw, Philip W. Hussey, Ernest M. Roberts, Leslie L. Brackkett, Frank A. Picott, John L. Chadbourne, Sidney Nutter. Herbert C. Hall, Homer F. McCrellis, Everett J. Hammond. Fred J. Lewis, Alton G. Butler, Clyde B. Staples, Fred W. Johnson, Roy H. Humphrey, Arthur M. Hussey. Harold Chadbourne, Ernest G. Brooks, Leon Allen. Ernest P. Hamilton, Otis C. Littlefield, Rescoe P. Allen, Chester F. Batchelder, Brainard S. Drake, Wesley S. Birch, Howard Foster, Charles M. Boyle, Albert E. Chadbourne, George H. Drew, Harry Hayes, Haven Lord, George Stromberg, Josiah Wright, Elmer E. Stewart, Robert A. Hussey. James O. MacCorison, Walter Blaisdell, Thomas F. Kennedy. Frank Eldridge, Kenneth Boston. Vernon Meader, Donald Eaton, Albert D. Nutter, Maynard Johnson, Oliver M. Neal.

42. To see if the town will vote to fix the time for the payment of taxes assessed for the year 1928, and determine the rate of interest to be paid on overdue taxes.

43. To see if the town will instruct the municipal officers to make such temporary loan as would be necessary to take care of the running expenses of the town until the taxes can be collected to take care of same.

44. To see if the town will vote to establish the salary per diem of its several officers in cases where no compensation is fixed and determine by law, including

the Health Officer recently appointed under the provisions of Chapter 172 Section 10 of the Public Laws of 1919.

45. To transact any other business that may legally come before said meeting.

The Selectmen give notice that they will be in session for the purpose of correcting the list of voters, in said town, and hearing and deciding upon the application of persons, claiming to have their names entered upon said list, at the Selectmen's Room in said Commercial Block on March 8th, 9th and 10th A.D. 1928, from 2 P. M. to 5 P. M. on each of said days.

Given under our hands this Twenty Fifth day of February A. D. 1928.

Fund, Feb. 1st, 1929 .....		\$1,349.00

MARGARET HOBBS, Treasurer.  
D. A. Hurd Library Corp.

To the Board of Trustees of the D. A. Hurd Public Library:—

Report showing work of the Library, from Dec. 1, 1927, to Feb. 1, 1929.

Number of books on shelves, January 1, 1928.	1968
Received by gift	572
Books purchased	193

Number of books on shelves, February 1, 1929 2733  
Circulation of books from Jan. 1, '28, to Feb.

1, '29	6979
Patrons signing cards	375

The Magazines: National Geographic, Harper's, Scribner's, Hygia, House and Garden, Forest and Stream, Child Life, Columbia, Our Dumb Animals, Missionary Herald, Asia, Our Hope, Popular Science, Popular Mechanics, American Magazine, are on the tables.

The Papers: Sanford Tribune, Christian Science Monitor, Union Signal, Current Events, have been presented.

Other Magazines and Papers will be added during the current year. Mention should be made of the excellent deportment maintained by the young people, and all other patrons of the Library; and many courtesies, which are greatly appreciated, have been shown the Librarian. While works of fiction are most in demand, there is an increasing interest being shown in more substantial reading, especially in the study of history. In this line the Library is well equipped. While the work during the past year has been successful, we trust it may be more so during the present year.

Respectfully submitted,

REV. W. H. GETCHELL,

Librarian.

## SCHOOL REPORT

---

### School Committee

Mr. Philip Hussey, chairman	Term expires 1929
Mr. John E. Abbott	Term expires 1930
Mr. H. E. Hayes	Term expires 1931

### Superintendent of Schools

WALTER E. LANE

Attendance Officer                      Mr. Benj. A. Parker

### School Calendar

Winter Term—11 weeks. Dec. 31, 1928 to Mar. 15, 1929.

Spring Term—11 weeks. April 1, 1929 to June 14, 1929.

Fall Term—14 week. Sept. 9, 1929 to Dec. 13, 1929.

Winter Term—11 weeks. Dec. 30, 1929 to Mar. 14, 1930.

---

### School Holidays

Feb. 22, April 19, May 30, Nov. 11, and Thanksgiving Day.

---

### Report of the Superintendent of Schools

To the Superintending School Committee of the Town of No. Berwick:—

I herewith submit the annual report concerning the schools of No. Berwick for the year ending January 31, 1929.

### Teachers

No longer does it seem necessary to employ teachers who are not duly qualified, or prepared for the arduous and exacting service of teaching in the public schools. Our State Commissioner of Education has repeatedly declared that there will be sufficient teachers of normal training for every school in the State by 1930.

Our teaching force has remained nearly constant for a period of years. At the opening of the Fall term, the following changes occurred: Miss Elizabeth Taylor of Harmony, Maine, a graduate of Farmington Normal School, and with teaching experience was employed to teach the sixth and seventh grades, replacing Miss Gladys Burns. Miss Charlotte Fuller of Augusta, Maine, a Bates College, graduate, specializing in Languages was elected to take the place of Miss Doris Ackley. Mr. Vance McNaughton, of Sangerville, Maine, a graduate of Colby College, replaced Arthur Snow, as teacher of mathematics science and physical training. Miss Annie Thurrell began the Fall term at Division 13, but resigned because of illness in her family. Miss Dessie Lane of Portland, a graduate of Gorham Normal School was secured to complete the year. We are especially fortunate in having the assistance of these trained teachers on our faculty. For further data consult the statistical report.

---

### Music

It is said that music is the universal language, the language understood by, or common to all races. In this day of the age of the radio, it becomes increasingly important that music receive a prominent place in our school program.

Miss Eileen Watson of Kennebunk is now acting as our music supervisor. Plans are underway to exemplify choral work in presenting a musical program by the school in the near future.

---

### Health

The dread approach of small pox casued some alarm during the Fall term. Acting upon the advice of Dr. Kendall the State Health Commissioner, a free vaccination was offered to all children. About one hundred children and several adults were vaccinated. During the last of January, heavy colds and influenza made such damaging inroads on school attendance that one week's vacation was declared. This will allow but one week vacation in March, making the closing date March 22.

### Repairs

Various repairs have been carried out as planned. Special repairs also have been made with your approval as follows: Messrs. Hoyt and Wentworth of Dover, New Hampshire were employed to decorate the interior of the village school building. The ceilings of all the rooms were calcimined in an ivory color and the walls in cream color. These sunny shades have made a marked improvement in offering a more cheerful and restful effect. All finish and wood work in the rooms occupied by the children were varnished. Mr. Lowe varnished the seats, desks, and other furniture. The structure about the flagpole and the steel pole itself were painted with very durable paint to prevent rusting and for general preservation. A driveway to the road between the school house and Baptist church should to laid

down to facilitate an easy approach to the school grounds, both for cars and for the convenience of teachers and children. Much grading about the grounds is needed. The roof of the building at Division 19 was patched, as it seemed more economical than shingling this year. The school building at Division 13 should be improved, and made more comfortable for the children. I recommend that a sum of money be raised to repair the foundation, retop and extend the chimney to improve the draft and paint the building throughout.

---

### **Physical Training**

The Department of Education stresses the physical development of children. A healthy, active child is usually mentally alert. We appreciate the good will and gifts of the No. Berwick Community Club and the promise of physical equipment such as teeter boards, swings, giant strides, rings now commonly seen on playgrounds throughout the country. The assistance in maintaining the Meserve Grounds, grandstand and facilities for school athletics is a decided help to the High School.

---

### **Insurance**

It was deemed advisable to increase the insurance on the main school building. It is now insured for \$20,000.00, yet could not be replaced for twice that sum. A plan has been devised whereby the premiums may be paid annually, beginning with 1931. By paying an annual premium the cost is made easier since it will not be greater by the passing of three or more years. Premiums for the following in-

surance must be raised for 1930 at the 1930 Town Meeting: One policy of \$3,000.00 for one year, one policy of \$3,000.00 for three years, and one policy of \$6,000.00 for five years.

In conclusion, I wish to extend my appreciation for willing and prompt co-operation in all matters.

Respectfully submitted,

W. E. LANE,

Superintendent of Schools.

---

### HIGH SCHOOL REPORT

---

To Superintendent W. E. Lane:—

The annual report of the North Berwick High School is herewith submitted.

The enrollment for the year 1928-1929 was 65, a normal one for this school. It is true that four Freshman have left, but as some pupils are merely waiting for their sixteenth birthday, this loss is not to be considered out of the ordinary.

The building was in fine condition this Fall, and every effort is being made to show that the repairs are appreciated. A good clean schoolroom is of great advantage to the general morale of the school.

However, I would again call your attention to the matter of lights. On dark days the eyesight of the students, as well as the teachers, is dangerously strained. Indeed, this fall and winter there have been times during the regular school hours when one could not read the blackboard across the room. Only the main room is equipped with lights, although

these are not the approved inverted lighting especially recommended for school use. It is absurd to think that only those scholars in the main room are in need of the lights, but at present they are the only ones who have this necessity. The building has some wiring and it does seem as though active measures should be taken to provide adequate lighting for all rooms.

Automatic springs on the inner doors to the hallways have been added this winter, thereby adding materially to the warmth and comfort of the entire building, as well as the corridors.

The town is fortunate to have so capable and efficient a janitor as Mr. Frank Lowe.

The course of study is proving very satisfactory and compares most favorably with the State requirements for a Grade A High School. For a three teacher school, the teaching load is not excessive, and at the same time, during the four years that a student attends, he has as varied a course of study as is offered in many of the larger schools.

One progressive step that might readily be taken in the near future would be that of creating a Junior High. This would be a decided advantage to all concerned.

The scholarship of the school is on a high plane, the average for the first semester of this year being 80%. There are 15 students who have an average in all their subjects of over 80, and of this number, three have not received a mark below 90. This is an enviable record.

Those receiving straight A's are as follow: Dorothy Allen '30, Mabel Labreck '32, and Floyd Randall '32.

Those receiving no rank below a B are as follows: Kenneth Brooks '30, Kendrick Dyer '30, Ruth Magee '30, Vinton Neal '30, Marjorie Goodwin' 31, Mildred Hamor '31, Helen Hubbard '31, Angelo Miniutti '31, Clara Foster '32, Elroy Day '32, and Mae Kennedy '32.

In athletics the High School is carrying on the regular sports. We surely apprecites the new athletic field, but the indoor sport of basketball finds us rather under a handicap. The expense of this sport is more than the other two together. Twelve dollars for every game played at home, and three dollars for every practice, makes the "overhead" tremendous.

Add to these items the cost of referee and the guarantee to the visiting team, and it can be seen the financial burden that the school is obliged to carry. As the Town lacks a Town Hall, it would seem that a sum might very fittingly be appropriated to assist the school in this matter. At present only once during the entire year is the hall available to the students free of charge, and that is at graduation.

The school has two very able assistants this year in Miss Charlotte Fuller and Mr. Vance McNaughton. The work of the latter in athletics is especially appreciated.

In closing I wish to thank the citizens and parents for their interest in our school. Wholesome and constructive criticism will always be accepted.

Respectfully submitted,

HELEN M. FREEMAN,

Principal.

**ANNUAL TOWN MEETING WARRANT**  
**STATE OF MAINE**

---

COUNTY OF YORK, SS.

To Floyd R. Johnson, Constable of the Town of North  
Berwick in said County of York.

GREETINGS:

In the name of the State of Maine you are hereby  
required to notify and warn the inhabitants of said  
Town of North Berwick, qualified by law to vote in  
Town affairs, to meet in Commercial Hall in said  
North Berwick, on Monday, March 11th, 1929, at ten  
o'clock in the forenoon to act on the following arti-  
cles, to wit:

1. To choose a Moderator to preside at said meet-  
ing.

2. To see if the Town will vote to accept the report of the Municipal Officers of said Town for the year ending February 1, 1929, as printed in the Town Reports.

3. To see what action, under Chapter 92 of the Public Laws of 1919, the Town will take in regard to Road Commissioner or Commisisoners, to wit.:

- I. Will the Town elect by major vote a Road Commissioner or Commissioners?
- II. Will the Town vote to instruct the Selectmen to appoint a Road Commissioner or Commissioners?
- III. Do the voters desire the Selectmen to act as Road Commissioners?

4. To choose and elect all necessary Town Officers for the year ensuing.

5. To see what sum of money the Town will appropriate for support of common schools, for high school, for text books and for supplies.

6. To see what sum of money the Town will appropriate for upkeep and necessary repairs of school buildings for the ensuing year.

7. To see what sum of money the Town will raise to grade the school yard with gravel between the schoolhouse and the Baptist church so that it will be suitable to erect play ground equipment to be furnished by the Community Club as they are able to install it. Agreeable to the petition of J. O. MacCorison and twelve others.

8. To see if the Town will vote to sell at auction sale old school buildings long unused as Nos. 3, 5, 7, 10 and 15, the proceeds thereof to be used to repair

and for improvements of buildings in use. On recommendation of Superintending School Committee.

9. To see if the Town will raise money to hire a Public Nurse, such action being authorized by Section 58, Chapter 140, of the Public Laws of 1925. also to see if the Town will vote and raise a sum of money to aid and support the County Nursing Service.

10. To see if the Town will vote "YES" or "NO" on the question of appropriating and raising money necessary to entitle the Town to State Aid, as provided in Section 19 Chapter 25 of the Revised Statutes of Maine.

11. To see if the Town will raise the sum of six hundred dollars, that being the maximum which the Town is allowed to raise, for the building or permanent improvement of its suggested State Aid Highways and in accordance with the reported recommendations of the State Highway Commission to the Municipal Officers, in addition to the amounts regularly raised for the care of ways, highways and bridges, under the provisions of Chapter 25, Section 18, 19 and 20 of Revised Statutes of Maine, amended by Public Laws of 1917 Chapter 258, and Public Laws of 1925 Chapter 182.

12. To see whether the Town will vote to raise money, and what sum, for the maintenance to State Aid Highways, during the ensuing year, within the limits of the Town, under the provisions of Section 17 of Chapter 25 of the Revised Statutes of Maine.

13. To see if the Town will raise a sufficient sum of money to pay its proportion of the expense on the patrolled roads, under the provisions of Chapter 25, Section 26 of Revised Statutes of Maine.

14. To see if the Town will raise the sum of fifty dollars for the maintenance of patrolled roads, as provided by Chapter 25, Section 27 of the Revised Statutes.

15. To see if the Town will raise a sum of money which is not less than 8% of the amount of its Special Legislative Resolves appropriation for maintenance of Third Class Roads as required by Chapter 124, Section 3 of the Public Laws of 1927, and also a reasonable sum of money to cut and remove trees, bushes, weeds growing within the road limits of any State Highway, State Aid Highway, and of Third Class Roads, so that this Town may be entitled to its apportionment of the Third Class Highway Funds, as required by Chapter 145, Section 3 of the Public Laws of 1927.

16. To see what sum of money the Town will raise to repair and retop the Iron Bridge on Madison street.

17. To see what action the Town will take in regard to the road and bridge over Great Works River near the residence of William A. Morrill; and if the Town votes to repair said road and bridge to see what sum shall be raised for same.

18. To see if the Town will raise a sum of money to pay for materials used in the construction and repair of Special Resolve Roads and Third Class Roads.

19. To see if the Town will raise the sum of three hundred and fifty (\$350.00) to improve the highway known as Pleasant street, by covering said street with coarse rock gravel. Agreeable to the petition of Frank Gerry and ten others.

20. To see if the Town will raise the sum of \$500.00 for a permanent piece of road near the resi-

dence of Libby J. Staples and to repair the road from there to the Sanford Town line. Agreeable to the petition of S. E. Hammond and nine others.

21. To see if the Town will vote to raise the sum of \$1,000.00 to resurface the road from the Weymouth Johnson corner to the residence of Hiram Hall, and to finish rebuilding remainder of road to point of tarvia road near residence of A. W. Kenney. Agreeable to the petition of Fred N. Weeden and eight others.

22. To see if the Town will vote to raise the sum of \$600.00 to repair the Ogunquit Road, so called, beginning at about 400 feet from the South Berwick line and building towards No. Berwick village. Agreeable to the petition of Albert W. Boyd and fourteen others.

23. To see if the Town will vote to raise the sum of \$250 to enclose with tile pipe the Town drain from the sidewalk on R. R. Ave., through the land of W. W. Varney to the drain on South Main St. Agreeable to the petition of W. W. Varney and fourteen others.

24. To see if the Town will vote to raise the sum of Five Hundred Dollars, (\$500.00), to improve the highway from the Guptill Corner to Beech Ridge Church. Agreeable to the petition of Ernest G. Brooks and eight others.

25. To see if the Town will vote to appropriate and raise a sufficient sum of money to continue the tar patching and the tarvia topping of the roads.

26. To see where the town will vote to expend the income of the Judge Hobbs Trust Fund, for the coming year.

27. To see if the Town will vote to expend the income of the Judge Hobbs Fund on the Oak Woods Road, so called, beginning at the point left off at last year and building towards the residence of Hervey E. Wentworth. Agreeable to the petition of Hervey E. Wentworth and ten others.

28. To see if the Town will vote to appropriate and raise such sums of money as may be necessary for general repairs of roads, bridges and sidewalks.

29. To see what sum of money the Town will raise to break the roads and clear the sidewalks in winter.

30. To see if the Town will vote to raise such sum of money as may be necessary for the care and maintenance of the poor.

31. Whereas the municipal officers of this Town receive annually from the State Treasurer, through the State Board of Charities and Corrections, bills alleged to be due the State from this Town for the support of the Jones children, descendents of Levi Jones, and whereas the aggregate of said bills to June 30, 1928 is \$1,395.95:

Now therefore to see if the Town will vote to have said alleged pauper liability thoroughly investigated in order to determine whether or not this Town is liable to pay said alleged charges, and in order to determine whether to settle said alleged bills, or to contest the same. The costs and expense of said investigation and future action of said Town to be defrayed by the Town.

32. To see if the Town will vote and raise a sum of money for the payment of its share of Mothers' Aid, and if so how much, in accordance with the

provisions of Chapter 222 Section 4 of the Public Laws of 1917.

33. To see what sum of money the Town will vote to raise for mydrants and rentals for the ensuing year.

34. To see what sum of money the Town will vote to raise for the fire department for the ensuing year.

35. To see if the Town will vote to install a fire alarm system for the Town of North Berwick, and raise a sum of money for the same. Agreeable to the petition of O. W. Hammond and fourteen others.

36 . To see if the Town will vote to allow Quint-Cheney Post No. 87 of the American Legion, in conjunction with the Community Club, the use of the hall in the Old Fire Station of William Hill Engine Company No. 2. Agreeable to the petition of Wesley M. Johnson and fifteen others.

37. To see if the Town will vote to accept from Mrs. Mary R. Hurd the voluntary gift and deed to the Town of the lot of land with the Memorial William Hill Fire Station thereon, with the furnishings, furniture and equipment therein.

38. To see if the Town will elect a fire ward as its fire inspector in accordance with the provisions of Chap. 30 Section 47 of the Revised Statues of Maine.

39. To see what sum of money the Town will vote to raise for electric lights for the ensuing year.

40. To see if the Town will vote to establish an electric light at or near Commercial Block and corner of Edward A. Neal's property. Agreeable to the petition of Richard H. Hurd and six others.

41. To see what sum of money the Town will vote to raise for contingent and incidental expenses for the year ensuing.

42. To see what sum of money, if any, the Town will raise to defray the expenses of the observance of Memorial Day, and to whom the money raised shall be paid.

43. To see what sum of money the Town will raise for interest upon Town Debt.

44. To see what sum of money the Town will raise for the payment upon Town debts.

45. To see what sum of money the Town will vote to raise towards the expenses and maintenance of the D. A. Hurd Memorial Library.

46. To see what sum of money the Town will vote to grant and raise to be expended and used for advertising natural resources, advantages and attractions of the State of Maine.

47. To see what sum of money the Town will raise for the destruction of brown-tail moths in accordance with the provisions of Chapter 38 Section 8 and 10 of the Revised Statutes of Maine.

48. To see if the Town will vote to fix the time for the payment of taxes assessed for the year 1928, and determine the rate of interest to be paid on overdue taxes.

49. To see if the Town will instruct the Municipal Officers to make such temporary loan as would be necessary to take care of the running expenses of the Town until the taxes can be collected to take care of same.

50. To see if the Town will vote to establish the salary per diem of its several Officers in cases where no compensation is fixed and determined by law, including the Health Officer recently appointed under the provisions of Chapter 172 Section 10 of the Public Laws of 1919.

51. To transact any other business that may legally come before said meeting.

The Selectmen give notice that they will be in session for the purpose of correcting the list of voters, in said Town, and hearing and deciding upon the application of persons, claiming to have their names entered upon said list, at the Selectmen's Room in said Commercial Block on March 7th, 8th, and 9th, A. D., 1929, from 2 P. M., to 5. P. M., on each of said days.

Given under our hands this Twenty-seventh day of February A. D., 1929.

M. L. RANDALL,

E. E. STEWART,

H. C. HALL,

**LIBRARIAN'S REPORT**

---

To the Trustees of the D. A. Hurd Public Library:—

In submitting this report for the year 1929, there is practically but little to say different materially from the report for 1928. The Library has been well patronized during the entire year, and there have been addition of books by gifts and purchase, so that on its shelves there are over thirty-three hundred volumes. In commenting on the work of a Library in one of our New England cities, a recent writer has said, "The Country needs more books. More than that, it needs for people to read more books." His words are true, and may well be applied to our own Library. We need more, and up to date books, and we are getting them. We need more people to read more books, and we are getting them. The number of patrons of our Library is steadily increasing, and their application cards now number Four hundred and fifty-seven. On our tables we have Thirty-five Magazines and Papers. At the beginning of the School year in September, an effort was made to bring the Library and the schools into closer relationship. To this end our Book Committee invited the teachers to a conference, which has resulted in more scholars coming to the Library to look up various subjects in connection with their school work. As in all public Libraries, works of fiction are the ones most in demand, but the educational, historical, biographical, and poetical works are receiving increased attention, which is an encouraging feature. An out of town patron said not long ago "What a blessing this Library is to the people of the village, and adjacent territory." Her statement was correct, and we trust as time goes on all of the priv-

ileges the Library offers may be more fully realized.

REV. W. H. GETCHELL, Librarian.

North Berwick, Feb. 5, 1930.

### BUDGET COMMITTEE REPORT 1930

#### Schools

Common schools .....	\$7,000.00	
High school .....	4,700.00	
Books .....	700.00

## **SCHOOL REPORT**

---

### **SCHOOL COMMITTEE**

Mr. John E. Abbott, chairman	Term expires 1930
Mr. H. E. Hayes	Term expires 1931
Mr. Philip Hussey	Term expires 1932

### **Superintendent of Schools**

WALTER E. LANE—Telephone 61	
Attendance officer	Mr. Philip Hussey

### **School Calendar**

Winter Term—Monday Dec. 30, 1929 to Mar. 21, 1930.

Spring Term—Monday Mar. 31, 1930 to June 13, 1930.

Fall Term—Monday Sept. 8, 1930 to Dec. 19, 1930.

Winter Term—Monday Jan. 5, 1931 to Mar. 13, 1931.

### **School Holidays**

Feb. 22, April 19, May 30, Nov. 11, Thanksgiving Day and the day following.

### **Report of the Superintendent of Schools**

To the Superintending School Committee of No. Berwick:—

I present herewith the annual report of the schools. The attendance statistics are for the time intervening from January first to December thirty-first. The financial report covers the fiscal year ending January thirty-first.

The school census of April 1st, 1929 including pupils between the ages of 5 and 21 years amounted to 373.

The following is a list of the names of teachers in service at the opening of the Fall Term:—

Mr. Vance McNaughton—Principal, Math., Science, Phy. Train.

Mr. Fred Hanscom—Asst. Prin., Eng., Hist.

Miss Charlotte Fuller—Language, Latin, French.

Miss Margaret Kimball—Grades 8 and 9.

Miss Elizabeth Taylor—Grades 6 and 7.

Miss Gertrude Bryant—Grades 4 and 5.

Mrs. Marie Burns—Grades 2 and 3.

Miss Mildred Marston—Grade 1.

Miss Annie Thurrell—Div. 13.

Mrs. Addie Johnson—Div. 19.

Mrs. Azalea Garland Wilson—Music.

### Comparative School Salaries and Rates

Town	Maximum High Sch. Salary	Minimum High Sch. Salary	Maximum Elementary Salary	Minimum Elementary Salary	High Sch. Per Capita Cost	Elementary Per Capita	Municipal Rate	School Rate
Berwick	\$2000.	\$1000.	\$ 900.	\$850.	\$103.48	\$40.00	.063	.0133
Eliot	2250.	1100.	900.	720.			.025	.0066
Kennebunk	2400.	1200.	1200.	900.	106.86	50.57	.044	.0097
Kennebunkport	2200.	1100.	1000.	900.	140.00	80.00	.0513	.0105
No. Berwick	1700.	1100.	900.	612.	80.00	53.00	.052	.0133
Sanford	3700.	1150.	1700.	900.	89.00	48.00	.0392	.0068
Wells	2200.	1125.	864.	648.	92.60	53.00	.0472	.0028
York	2400.	1200.	1720.	720.			.046	.0071

In this chart it will be noticed that No. Berwick is not paying as high an average teachers' salary as most of its neighbors.

The school rate increases or decreases in proportion to the variation of other municipal expenditures. The municipal rate of taxation is governed largely by town valuation.

The average municipal rate for the state is \$ .0493.

The average school rate for the state is \$ .0124.

School attendance is somewhat improved as compared with the record of last winter and spring. An epidemic of mumps however, caused several absences at the end of the year. The teachers endeavor to check up all cases of irregular attendance, and we urge that all parents cooperate in eliminating all unnecessary absences. School attendance records determine in a measure No. Berwick's quota of the state school fund.

A more comprehensive program for physical training should be in effect. Physical drills and calisthenics are daily directed by the individual teachers in our schools. There is a very urgent need for gymnasium facilities for all children. It would be a very well directed expenditure to provide a suitable building for such training. Our high school students utilize a public hall not well adapted to gymnasium purposes, at a great expense to the school athletic association. This cost must be borne by the citizens through socials, plays, donations, or regular appropriations. Even the generosity that makes this program possible provides however for only a few boys and girls. Our first and most important concern should be a carefully planned program for health.

A detailed course in vocational guidance, with laboratory courses in household and manual arts

should be introduced and stressed. Such courses give a survey of occupations and acquaint the student with the work in the various fields. They explore the talents of students and give them a start in determining natural aptitudes and efficiency in the choice of a life work.

In accordance with a vote of the last annual town meeting, the school houses in districts seven and ten were sold at public auction. School house number seven was sold to Mr. John Nason for \$35.00, school house number ten was sold to Mr. Randolph Nutter for \$43.00. Other unused school houses should either be sold, or be repaired at an early date. It is difficult to keep these buildings locked and in order. Public property of this nature is for some reason not well respected.

The special appropriation of fifty dollars for grading the central school grounds was expended for gravel and labor. This was placed about the grounds under the direction of Commissioner Birch. Later members of the Community Club and interested citizens added as much more gravel making 100 yards in all. These men gave their time and services free of charge.

The following repairs were made during the summer. Division thirteen was thoroughly painted inside and outside. The corner wall of the foundation was rebuilt. Also the base of the chimney was rebuilt, so that the draft is greatly improved. This work was done in a thorough manner by Mr. Roy Hansøn. At the central school both chimneys were banded to prevent further cracking. Broad strips of iron were used over the tops, down the inside as well as around the entire chimneys. It is hoped that further spreading may be prevented.

The finish and windows of this school should be painted this year. For several years it has been obvious that this building should be entirely wired for electric lighting. On dark days eye strain is very apt to result. I urge that this matter be seriously considered and a sufficient appropriation be made to cover this expense.

I wish to express my thanks and appreciation for your support and assistance in school affairs during the past year.

Respectfully submitted,

WALTER E. LANE,

Superintendent of Schools.

---

### HIGH SCHOOL REPORT

---

To Superintendent of Schools W. E. Lane:—

The annual report of North Berwick High School is herewith submitted.

One of the greatest problems of the present time is the process of training the youth to adapt himself to his environment in such a manner that he may lead the fullest life possible. This training process is carried on in the home and the school. The success of the school is usually judged by attendance, scholarship, and the morale of the student body.

The attendance for the fall term was well up in the average for secondary schools, there were ten students who were neither absent nor tardy for the fourteen weeks. At the present time the school has an enrollment of seventy. Since the opening of the

school year two pupils have withdrawn and two more entered, one of these is taking up graduate work with the intention of going to some higher institution.

The scholarship rating of the school has been raised by discarding the method of declaring the name of a student of B grade to be placed on the Honor list and introducing in its place an honor system of two divisions: Highest Honors, this group includes those receiving A's in four or more courses; Honors, this second group consists of a group whose A's number two or more. The names that appear on the list under division one are: 1930 Dorothy Allen, 1931 Angelo Miniutti, 1932 Mabel LeBreck and Floyd Randall, 1933 Marion Willey and Elizabeth Brown. The second division has a much longer list: 1930 Ruth Magee 3, Kenneth Brooks 3, Vinton Neal 3, Elizabeth Hayes 2, Ruth Staples 2, Linneus Penney 2; 1931 Nellie Littlefield 3, Helen Hubbard 2, Mildred Hamor 2, Harland Bedell 2; 1932 Mae Kennedy 3, Ruth Drake 3, Clara Foster 2, Eula Wyman 2; 1933 Marjorie Birch 3, Marion Tufts 3, Marion Allen 2.

The morale of the student body may be noted if one considers attendance, scholarship and the interest in the extra-curriculum activities such as dramatics or athletic contests.

The course of study has been changed for it was found that some of our graduates do not have the necessary units of credit for college entrance and in this way handicapped in gaining a higher education. After studying the state requirements for graduation from a grade high school and the entrance requirements of the various colleges near at hand the following course of study has been arranged:—

---

	Required	Elective
First year	English Algebra	Latin General Science Civics
Second year	English Ancient History Plane Geometry	Latin French Biology
Third year	English American History (year offered)	Modern History Latin French Chemistry or Physics Social Problems
Fourth year	English American History (year offered)	Latin French Modern History Physics or Chemistry Solid Geometry and Advanced Algebra Social Problems

Each student must carry at the least FOUR courses a year.

Each student should take four units in English, one major of three related units and two minors of two related units all of which are to be chosen under guidance.

#### COLLEGE PREPARATORY COURSE REQUIRES

English .....	4 units	
Mathematics....	3 units	(Including ad. algebra and solid geometry)
Language .....	2 units	
History .....	2 units	Ancient and American
Major science ..	1 unit	
Miscellaneous ..	4 units	

---

GENERAY COURSES REQUIRES

English .....	4 units
Mathematics....	2 units
Major science ..	2 units
History .....	2 units (Ancient American)
Language .....	2 units
Miscellaneous ..	4 units

A total of sixteen units is required for graduation.

Although the Athletic Association has been greatly handicapped this fall by a debt of approximately two hundred dollars it has had its teams on the field working with a spirit that makes any group winners although they may be out-pointed from the mathematical point of view. At the close of the football season nearly three-quarters of this debt was cleared besides the expenses of this sport. Early in the fall a blanket tax of three and one-half dollars was assessed to each pupil. This tax covered the usual A. A. dues and admission to the games for the year. By this method a larger number of the students attended the contests and in this way help not only from the sidelines but financially.

In closing I wish to mention first my thanks to the citizens for their cooperation with the student body as well as thanks to the governing board of the school; and secondly extend an invitation, to the citizens and especially to the parents, to visit the school in order that they may understand just what is being done, and also what is being accomplished.

Respectfully submitted,

VANCE McNAUGHTON, Principal

**REPORT OF COUNTY NURSE**

Selectmen of No. Berwick:

GENTLEMEN:—

The health work accomplished in your town during the year 1929 was as follows:

SCHOOLS VISITED—

High School .....	60 pupils inspected
1st to 9th .....	153 pupils inspected
Beech Ridge .....	8 pupils inspected
Beech Ridge .....	11 pupils inspected
Div. 19 .....	12 pupils inspected

By inspected is meant that each pupils' eyes and ears were tested according to the state regulation, the condition of the teeth, throat, skin, posture and hair is observed and a note of any defects found is sent home to the parents who are urged to take the child to the family doctor, dentist, oculist for treatment and advice.

There was seventy-two in health made since the nurses' visit in 1928. A health record is kept of every student from the time that he enters until he leaves school. Many of these cards are ten years old, duplicate is kept in the nurses' office. From the data on these cards it is easy to study the defects and corrections. Other health work in your community included securing glasses for one girl. The nurse accompanied her to and from Sanford, and persuaded the Red Cross to pay for the glasses. Five visits were made to a local family and the nurse provided clothing made by the Friendly Girls Society in Sanford. Six home visits were made to the homes of school children.

Time spent in this town during 1929 was 96 hours, or twelve days. As there is only one nurse in the county, you have not received all the time which you have paid for, but the Association in locating another nurse this month, and you will have better service during the coming year.

Yours respectfully,

KATHERINE FERGUSON, R. N.

York Co. Public Health Nurse.

January 30, 1930.

**ANNUAL TOWN MEETING WARRANT**  
**STATE OF MAINE**

---

COUNTY OF YORK, SS.

To Clarence M. Staples, Constable of the Town of  
North Berwick in said County of York.

GREETINGS:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of said Town of North Berwick, qualified by law to vote in town affairs, to meet in Commercial Hall in said North Berwick, on Monday, March 10th, 1930, at ten o'clock in the forenoon to act on the following articles, to wit.:

1. To Choose a Moderator to preside at said meeting.

2. To see what action, under Chapter 92 of the Public Laws of 1919, the town will take in regard to Road Commissioner or Commissioners, to wit.:

I. Will the town elect by major vote a Road Commissioner or Commissioners?

II. Will the town vote to instruct the Selectmen to appoint a Road Commissioner or Commissioners?

III. Do the voters desire the Selectmen to act as Road Commissioners?

3. To choose and elect all necessary town officers for the year ensuing.

4. To see what sum of money the town will appropriate for support of common schools, for high school, for text books and for supplies.

5. To see what sum of money the town will appropriate for upkeep and necessary repairs of school buildings for the ensuing year.

6. To see what sum of money the town will raise to grade the school yard with gravel between the school house and the Baptist Church so that it will be suitable to erect playground equipment to be furnished by the Community Club as they are able to install it. Agreeable to the request of Walter E. Lane.

7. To see if the town will vote to sell at auction sale old school buildings unused, being No. 14, 8 and 4, the proceeds thereof to be used for repairs and for improvements of buildings in use. On recommendation of Superintending School Committee.

8. To see if the town will appropriate the sum of \$300.00 to pay insurance premiums on village schoolhouse. Agreeable to the request of Walter E. Lane.

9. To see if the town will raise a certain sum of money for public nurse services and subject to the direction of the Superintending School Committee. Agreeable to the request of Walter E. Lane acting for Superintending School Committee.

10. To see if the town will vote "Yes" or "No" on the question of appropriating and raising money necessary to entitle the town to State Aid, as provided in Section 19 Chapter 25 of the Revised Statutes of Maine.

11. To see if the town will raise the sum of six hundred dollars, that being the maximum which the town is allowed to raise, for the building or permanent improvement of its suggested State Aid Highways and in accordance with the reported recommendations of the State Highway Commission to the Municipal Officers, in addition to the amounts regularly raised for the care of ways, highways and bridges, under the provisions of Chapter 25, Section 18, 19 and 20 of the Revised Statutes of Maine, amended by Public Laws of 1917 Chapter 258, and Public Laws of 1925 Chapter 182.

12. To see whether the town will vote to raise money, and what sum, for the maintenance to State Aid Highways, during the ensuing year, within the limits of the town, under the provisions of Section 17 of Chapter 25 of the Revised Statutes of Maine.

13. To see if the town will raise a sufficient sum of money to pay its proportion of the expense on the patrolled roads, under the provisions of Chapter 25, Section 26 of Revised Statutes of Maine.

14. To see if the town will raise the sum of fifty dollars for the maintenance of patrolled roads, as provided by Chapter 25, Section 27 of the Revised Statutes.

15. To see if the town will raise the sum of \$712.00, under the provisions of Section 4 Chapter 260 of the Public Laws of 1929, for the maintenance of improved sections of Third Class Roads or to be used in connection with Third Class apportionment made by the State for the improvement of Third Class Roads.

16. To see if the town will vote to discontinue the piece of road known as the Gould Road leading

passed the residence of William A. Morrill to the Harry Dennett Road, so called, from a point beginning at the easterly end of the Boston & Maine Railroad overhead bridge and ending at the South Berwick town line.

17. To see if the town will vote to raise the sum of \$500.00 for a permanent piece of road between the residence of Libby J. Staples and the Sanford town line beginning at the Sanford line. Agreeable to the petition of Alton Weymouth and nine others.

18. To see if the town will vote to raise the sum of five hundred dollars to gravel and improve the highway from Guptill's Corner to the Clark Corner, so called. Agreeable to the petition of C. Leon Allen and nine others.

19. To see if the town will vote to repair the Lebanon Road, from the residence of Mr. C. Obed Democks to the residence of Mr. Charles Chase, and raise and appropriate the sum of six hundred dollars (\$600.00) to pay for the same, or take any other action in relation thereto. Agreeable to the petition of Robert Summersgill and nine others.

20. To see if the town will vote to raise the sum of \$200.00 to repair the road from Sumner E. Hammond's to the Nathaniel L. Hussey place. Agreeable to the petition of Dana H. Libby and twelve others.

21. To see if the town will vote to tarvia surface the improved portion of designated State Aid Highway No. 2, leading from State Highway No. 214 by Bauneg Beg Grange Hall, and raise a sufficient sum of money for the same. Agreeable to the petition of Edward S. Winslow and forty-one others.

22. To see if the town will vote to appropriate and raise a sufficient sum of money to continue the tar patching and the tarvia topping of the roads.

23. To see if the town will vote to expend the income of the Judge Hobbs Fund on the Oak Woods Road, so called, beginning at the point left off at last year and building towards the residence of Hervy E. Wentworth. Agreeable to the petition of M. L. Randell and eleven others.

24. To see where the town will vote to expend the income of the Judge Hobbs Trust Fund, for the coming year.

25. To see if the town will vote to appropriate and raise such sums of money as may be necessary for general repairs of roads, bridges and sidewalks.

26. To see what sum of money the town will raise to break the roads and clear the sidewalks in winter.

27. To see if the town will vote to raise such sum of money as may be necessary for the care and maintenance of the poor.

28. To see if the town will vote and raise a sum of money for the payment of its share of Mothers' Aid, and if so how much, in accordance with the provisions of Chapter 222 Section 1 of the Public Laws of 1917.

29. To see what sum of money the town will vote to raise for hydrants and rentals for the ensuing year.

30. To see what sum of money the town will vote to raise for the fire department for the ensuing year.

31. To see if the town will elect a fire ward as its fire inspector in accordance with the provisions of Chap. 30 Section 47 of the Revised Statutes of Maine.

32. To see what sum of money the town will vote to raise for electric lights for the ensuing year.

33. To see if the town of North Berwick will extend the electric light line from the corner of Pleasant Street to the residence of Frank Meader and install three street lights between these two points. Agreeable to the petition of Frank Meader and twelve others.

34. To see what sum of money the town will vote to raise for contingent and incidental expenses for the year ensuing.

35. To see what sum of money, if any, the town will raise to defray the expenses of the observance of Memorial Day, and to whom the money raised shall be paid.

36. To see if the town will delegate to Louis O'Gowan Relief Corps the right to establish a memorial tablet at the junction of High Street and the road leading to Beech Ridge. Agreeable to the petition of R. H. Hurd and eight others.

37. To see what sum of money the town will raise for interest upon Town Debt.

38. To see what sum of money the town will raise for the payment upon Town Debt.

39. To see what action the town will take in regard to raising the necessary funds for the snow-breaking apparatus ordered and purchased by Snow Removal Committee, and to determine where and how the same is to be housed.

40. To see what sum of money the town will vote to raise towards the expenses and maintenance of the D. A. Hurd Memorial Library.

41. To see if the town will vote to raise the sum of \$150.00 to purchase an Underwriters "C" Label Fire resisting safe for the protection of the town clerk's records from 1831 to the present date with room for future expansion. A safe with inside measurements of 50"X 18"X 18" would be sufficient. Agreeable to the petition of J. O. MacCorison and fifteen others.

42. To see if the town will vote to fix the time for the payment of taxes assessed for the year 1928, and determine the rate of interest to be paid on overdue taxes.

43. To see if the town will instruct the Municipal Officers to make such temporary loan as would be necessary to take care of the running expenses of the town until the taxes can be collected to take care of same.

44. To see if the town will vote to establish the salary per diem of its several officers in cases where no compensation is fixed and determined by law, including the Health Officer recently appointed under the provisions of Chapter 172 Section 10 of the Public Laws of 1919.

45. To see if the town will vote to raise the necessary sum of money to pipe the ditch on the right hand side of the road going east from Meader Street to the sewer drain which goes through Grover's field. Agreeable to the petition of J. Mack Littlefield and forty six others.

46. To transact any other business that may legally come before said meeting.

The Selectmen give notice that they will be in session for the purpose of correcting the list of voters, in said town, and hearing and deciding upon the application of persons, claiming to have their names entered upon said list, at the Selectmen's Room in said Commercial Block on March 6th, 7th, and 8th, A. D., 1930, from 2 P. M. to 5 P. M. on each of said days.

Given under our hands this twenty-fourth day of February A. D. 1930.

**ANNUAL TOWN MEETING WARRANT**  
**STATE OF MAINE**

---

COUNTY OF YORK, SS.

To Clarence M. Staples, Constable of the Town of  
North Berwick in said County of York.

GREETINGS:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of said Town of North Berwick, qualified by law to vote in town affairs, to meet in Commercial Hall in said North Berwick, on Monday, March 10th, 1930, at ten o'clock in the forenoon to act on the following articles, to wit.:

1. To Choose a Moderator to preside at said meeting.

2. To see what action, under Chapter 92 of the Public Laws of 1919, the town will take in regard to Road Commissioner or Commissioners, to wit.:

I. Will the town elect by major vote a Road Commissioner or Commissioners?

II. Will the town vote to instruct the Selectmen to appoint a Road Commissioner or Commissioners?

III. Do the voters desire the Selectmen to act as Road Commissioners?

3. To choose and elect all necessary town officers for the year ensuing.

4. To see what sum of money the town will appropriate for support of common schools, for high school, for text books and for supplies.

5. To see what sum of money the town will appropriate for upkeep and necessary repairs of school buildings for the ensuing year.

6. To see what sum of money the town will raise to grade the school yard with gravel between the school house and the Baptist Church so that it will be suitable to erect playground equipment to be furnished by the Community Club as they are able to install it. Agreeable to the request of Walter E. Lane.

7. To see if the town will vote to sell at auction sale old school buildings unused, being No. 14, 8 and 4, the proceeds thereof to be used for repairs and for improvements of buildings in use. On recommendation of Superintending School Committee.

8. To see if the town will appropriate the sum of \$300.00 to pay insurance premiums on village schoolhouse. Agreeable to the request of Walter E. Lane.

9. To see if the town will raise a certain sum of money for public nurse services and subject to the direction of the Superintending School Committee. Agreeable to the request of Walter E. Lane acting for Superintending School Committee.

10. To see if the town will vote "Yes" or "No" on the question of appropriating and raising money necessary to entitle the town to State Aid, as provided in Section 19 Chapter 25 of the Revised Statutes of Maine.

11. To see if the town will raise the sum of six hundred dollars, that being the maximum which the town is allowed to raise, for the building or permanent improvement of its suggested State Aid Highways and in accordance with the reported recommendations of the State Highway Commission to the Municipal Officers, in addition to the amounts regularly raised for the care of ways, highways and bridges, under the provisions of Chapter 25, Section 18, 19 and 20 of the Revised Statutes of Maine, amended by Public Laws of 1917 Chapter 258, and Public Laws of 1925 Chapter 182.

12. To see whether the town will vote to raise money, and what sum, for the maintenance to State Aid Highways, during the ensuing year, within the limits of the town, under the provisions of Section 17 of Chapter 25 of the Revised Statutes of Maine.

13. To see if the town will raise a sufficient sum of money to pay its proportion of the expense on the patrolled roads, under the provisions of Chapter 25, Section 26 of Revised Statutes of Maine.

14. To see if the town will raise the sum of fifty dollars for the maintenance of patrolled roads, as provided by Chapter 25, Section 27 of the Revised Statutes.

15. To see if the town will raise the sum of \$712.00, under the provisions of Section 4 Chapter 260 of the Public Laws of 1929, for the maintenance of improved sections of Third Class Roads or to be used in connection with Third Class apportionment made by the State for the improvement of Third Class Roads.

16. To see if the town will vote to discontinue the piece of road known as the Gould Road leading

passed the residence of William A. Morrill to the Harry Dennett Road, so called, from a point beginning at the easterly end of the Boston & Maine Railroad overhead bridge and ending at the South Berwick town line.

17. To see if the town will vote to raise the sum of \$500.00 for a permanent piece of road between the residence of Libby J. Staples and the Sanford town line beginning at the Sanford line. Agreeable to the petition of Alton Weymouth and nine others.

18. To see if the town will vote to raise the sum of five hundred dollars to gravel and improve the highway from Guptill's Corner to the Clark Corner, so called. Agreeable to the petition of C. Leon Allen and nine others.

19. To see if the town will vote to repair the Lebanon Road, from the residence of Mr. C. Obed Democks to the residence of Mr. Charles Chase, and raise and appropriate the sum of six hundred dollars (\$600.00) to pay for the same, or take any other action in relation thereto. Agreeable to the petition of Robert Summersgill and nine others.

20. To see if the town will vote to raise the sum of \$200.00 to repair the road from Sumner E. Hammond's to the Nathaniel L. Hussey place. Agreeable to the petition of Dana H. Libby and twelve others.

21. To see if the town will vote to tarvia surface the improved portion of designated State Aid Highway No. 2, leading from State Highway No. 214 by Bauneg Beg Grange Hall, and raise a sufficient sum of money for the same. Agreeable to the petition of Edward S. Winslow and forty-one others.

22. To see if the town will vote to appropriate and raise a sufficient sum of money to continue the tar patching and the tarvia topping of the roads.

23. To see if the town will vote to expend the income of the Judge Hobbs Fund on the Oak Woods Road, so called, beginning at the point left off at last year and building towards the residence of Hervy E. Wentworth. Agreeable to the petition of M. L. Randell and eleven others.

24. To see where the town will vote to expend the income of the Judge Hobbs Trust Fund, for the coming year.

25. To see if the town will vote to appropriate and raise such sums of money as may be necessary for general repairs of roads, bridges and sidewalks.

26. To see what sum of money the town will raise to break the roads and clear the sidewalks in winter.

27. To see if the town will vote to raise such sum of money as may be necessary for the care and maintenance of the poor.

28. To see if the town will vote and raise a sum of money for the payment of its share of Mothers' Aid, and if so how much, in accordance with the provisions of Chapter 222 Section 1 of the Public Laws of 1917.

29. To see what sum of money the town will vote to raise for hydrants and rentals for the ensuing year.

30. To see what sum of money the town will vote to raise for the fire department for the ensuing year.

31. To see if the town will elect a fire ward as its fire inspector in accordance with the provisions of Chap. 30 Section 47 of the Revised Statutes of Maine.

32. To see what sum of money the town will vote to raise for electric lights for the ensuing year.

33. To see if the town of North Berwick will extend the electric light line from the corner of Pleasant Street to the residence of Frank Meader and install three street lights between these two points. Agreeable to the petition of Frank Meader and twelve others.

34. To see what sum of money the town will vote to raise for contingent and incidental expenses for the year ensuing.

35. To see what sum of money, if any, the town will raise to defray the expenses of the observance of Memorial Day, and to whom the money raised shall be paid.

36. To see if the town will delegate to Louis O'Cowan Relief Corps the right to establish a memorial tablet at the junction of High Street and the road leading to Beech Ridge. Agreeable to the petition of R. H. Hurd and eight others.

37. To see what sum of money the town will raise for interest upon Town Debt.

38. To see what sum of money the town will raise for the payment upon Town Debt.

39. To see what action the town will take in regard to raising the necessary funds for the snow-breaking apparatus ordered and purchased by Snow Removal Committee, and to determine where and how the same is to be housed.

40. To see what sum of money the town will vote to raise towards the expenses and maintenance of the D. A. Hurd Memorial Library.

41. To see if the town will vote to raise the sum of \$150.00 to purchase an Underwriters "C" Label Fire resisting safe for the protection of the town clerk's records from 1831 to the present date with room for future expansion. A safe with inside measurements of 50"X 18"X 18" would be sufficient. Agreeable to the petition of J. O. MacCorison and fifteen others.

42. To see if the town will vote to fix the time for the payment of taxes assessed for the year 1928, and determine the rate of interest to be paid on overdue taxes.

43. To see if the town will instruct the Municipal Officers to make such temporary loan as would be necessary to take care of the running expenses of the town until the taxes can be collected to take care of same.

44. To see if the town will vote to establish the salary per diem of its several officers in cases where no compensation is fixed and determined by law, including the Health Officer recently appointed under the provisions of Chapter 172 Section 10 of the Public Laws of 1919.

45. To see if the town will vote to raise the necessary sum of money to pipe the ditch on the right hand side of the road going east from Meader Street to the sewer drain which goes through Grover's field. Agreeable to the petition of J. Mack Littlefield and forty six others.

46. To transact any other business that may legally come before said meeting.

The Selectmen give notice that they will be in session for the purpose of correcting the list of voters, in said town, and hearing and deciding upon the application of persons, claiming to have their names entered upon said list, at the Selectmen's Room in said Commercial Block on March 6th, 7th, and 8th, A. D., 1930, from 2 P. M. to 5 P. M. on each of said days.

Given under our hands this twenty-fourth day of February A. D. 1930.

## LIBRARIAN'S REPORT

---

To the Trustees of The D. A. Hurd Public Library:

I am happy to report that the past year has been a very successful one, in the work, and patronage of the Library.

From Feb. 1, 1930, to Feb. 1, 1931, by gifts and purchase 275 books have been added to our list, making a total of 3,750 books now in the Library. Our Reading tables are well equipped with popular and valuable Magazines and Papers.

The number of Patrons is constantly increasing, until at the present time, we have more than one third as many names on our list, as the entire population of the Town, according to the last census report. A most encouraging feature of the Library work, has been the largely increased use of the material it possesses, for helping in the work of our Public Schools. This year the Superintendent and his corps of competent teachers, are emphasizing historical and local research work, as well as the works of the earlier Novelists and Poets.

The number of books put out from Feb. 1, 1930, to Feb. 1, 1931, was 5741. A bequest of \$200.00 has recently been received, which is to be known as the Beede-Leighton memorial fund, and placed as requested.

Through the courtesy of Mrs. B. S. Drake, a very rare and valuable Folio of "The Upland Game Birds and Water Fowl of the United States," has been donated to the Library. This formerly belonged to our highly esteemed fellow townsman, the late Judge Nathaniel Hobbs.

We should be pleased if any persons having books or pamphlets relating to the early history of the Town, would place them in the Library, where those interested in such matters could examine them.

Hoping that during the present year, interest in the Library and its work may steadily increase, so that old and young may feel a pardonable pride in "Our Library," this report is respectfully submitted.  
North Berwick, February 9, 1931.

REV. W. H. GETCHELL,

Librarian.

WALTER E. LANE—Telephone 61

Attendance Officer

Mr. Philip Hussey

### **School Calendar**

Winter Term—Monday Jan. 5 to Mar. 20, 1931.

Spring Term—Monday April 6 to June 12, 1931.

Fall Term—Tuesday Sept. 8 to Dec. 18, 1931.

Winter Term—Monday Jan. 4, 1932 to Mar. 18, 1932.

### **School Holidays**

Feb. 22, April 19, May 30, Nov. 11, Thanksgiving Day and the day following.

### **Report of the Superintendent of Schools**

To the Superintending School Committee of North Berwick:

I hereby present the annual report of the schools. The attendance statistics are for the time intervening from January first to December thirty-first. The financial report covers the fiscal year ending January thirty-first.

The school census of April first 1930 including persons between the ages of five and twenty-one years amounted to 374.

The following is a list of teachers in service at the opening of the fall term:

Mr. Vance McNaughton, Principal  
Mr. Francis Strout  
Miss Charlotte Fuller  
Miss Wilhelmina Perkins  
Miss Margaret Kimball  
Miss Viola Lowe  
Mrs. Marie Burns  
Miss Mildred Marston  
Miss Mary Goodwin  
Miss Annie Thurrell  
Mrs. Azalea Wilson, music

Before the close of the spring term it became evident that the number of pupils attending Division 19 would be too few in number to operate the school profitably another year. At the same time several little children on Bauneg Beg would be ready for school in the fall. The school board accordingly, voted to open the Division 5 school and await the action of the town at the next annual meeting. The pupils at Division 19 are being conveyed to the village school. Several repairs were necessary before Division 5 could be considered ready for use. These were made under the direction of Mr. Libby Staples. A bee was held and the school house shingled, the men giving their services. Other repairs were made to make the school room comfortable and cheerful.

The Junior High School is distinctly an American institution. It has been so successful in operation that the plan has been copied by other nations and today may be found in various quarters of the world. Realizing the need of an enriched program in our system, the school board instituted a deviation thereby taking the first steps of linking up the school work of the 8th and 9th grades more closely with the high school. This year Mr. Francis Strout was employed to conduct work in these grades at the same time teaching several subjects in the high school. The high school English teacher, Miss Wilhelmina Perkins, also has the English instruction in the 8th and 9th grades. This plan has been very successful to date giving the Junior High Group the advantage of receiving high school faculty instruction. This procedure has a tendency to do away with any break between the grammar and high school. It is our desire to introduce other features of Junior High work in the future. Lack of room makes it impossible at the present time to introduce domestic arts courses for girls, or manual arts for boys such as are required as a part of the training of this group in most of the larger units. Conforming with the foregoing plan there will undoubtedly be no grammar school graduation this year.

During the past year the York County Public Health Nurse has given more time to the individual needs of the pupils in town. The procedure has been to give all pupils a check to ascertain if possible their physical condition. Pupils who have shown indications of needing medical attention have been reported to parents for further examination by the family physician. Later the nurse ascertains if medical attention has been provided, thus by following up these isolated cases and urging parents to give prompt attention to these children, she eventually obtains the corrections needed. During the year the

nurse has been of direct benefit to the school system in several instances. The local Red Cross has been financially helpful in making it possible to carry out several corrections.

A number of repairs and improvements were made in the past year. Division 5 was shingled, windows repaired, and was painted within. Furniture was moved from Division 4 to this school. Electric lights were installed throughout the building at the village. One coat of white lead paint was applied to all work work and finish on the exterior of this building. The windows were reputtied where needed and painted. Several new stair treads were laid leading to the boys basement. Some of these improvements have cost more than could be foreseen at the time the last annual budget was made. Nevertheless all repairs have been necessary.

This year it is desirable that a second coat of paint be applied to the exterior finish of the village school. Recently the water pipe leading into this building from the mains was found to have completely rusted off. This pipe has been in use many years, in fact about twice the normal life, or usefulness of metal pipe. The school must be assured of a constant water supply, and hence a new water pipe should be laid to the street this summer. The entrance walks are rather low, badly washed and wet at times. They should be improved, or at least one well kept entrance should be built to the grounds. There is yet more grading that should be done between the school house and the church. The top of the flag pole should be taken down, repaired and painted. Many windows are now very loose, and in cold weather seriously interfere with heating the rooms. I recommend that each year a few windows receive weather strips to overcome this difficulty. The main system of heating has been in use since the building was erected. Besides

the steam boiler, it is necessary sometimes to force the entire three hot air furnaces in order to heat the rooms. A new installation of a more modern system would improve the uniformity of the temperature and shortly pay for itself in fuel saving. It would also be more sanitary and healthful.

In one room buildings the state requires that the toilets be attached and under more direct control of the teacher. Accordingly Division 5, if the town approves of continuing this school, should have covered walks attaching the toilet to the school building. This school building should be painted on the exterior.

There are four school houses not in active use that should be repaired somewhat by patching or shingling the roof, and by painting. If nothing is done to preserve these buildings, they will eventually be a complete loss. They should be disposed of, or repaired.

It is very desirable that our high school groups have an opportunity for indoor athletics, especially basketball. For years it has been a struggle for the high school athletic association to pay for the use of Commercial Hall. It is not possible to practice sufficiently under these financial restrictions to adequately represent the town and school. All the surrounding high schools have a place where the students may regularly practice without expense to the school. It would be a great help to the high school if the town authorized its municipal officers to provide a hall for athletic purposes especially in the months of December, January and February.

Reports from the High School Principal and from the Music Supervisor may be found elsewhere in this report.

In conclusion, I wish to express my sincere thanks and appreciation for your continued support in school affairs for the past year.

Respectfully submitted,

WALTER E. LANE,

Superintendent of Schools.

---

## REPORT OF SUPERVISOR OF MUSIC

---

To the Superintendent of Schools:

I herewith submit my annual report as Music Supervisor of North Berwick Schools for the year ending February first.

The pupils in all classes have made rapid progress in the rudiments of music, such as syllable reading, rhythm and so forth. They are all very enthusiastic about their work, and appreciative of results. The

teachers do excellent work in preparing the assignments and are cooperative with me. There is a music appreciation course well under way now which will do much toward giving the pupils the proper foundation for a good music education. There are many more possibilities for music which could be carried out with the help of a larger sum of money at our disposal.

I am glad of this opportunity to thank the Superintendent, the Teachers, and the Pupils for their cooperation and helpfulness during the year.

Faithfully submitted,

AZALEA G. WILSON,

Music Supervisor.

---

## HIGH SCHOOL REPORT

---

To Superintendent of Schools W. E. Lane:

My second annual report is herewith submitted.

North Berwick high school has the rating of a class A secondary school with the privilege of entering students to the several colleges in New England upon certificate; that is, a grade throughout the four year course of eighty-five or over. If we should study the data issued by the State Department of Education we would find that as far as the scholastic standing can be determined our graduates are accomplishing a college grade equal to and in some instance above many of the larger schools of the State. This rating is gained by the com-

pleteness of the course which requires that every student fulfills the requirements of the State course of study and the college requirements. The real value of a course of study of this type is at times seriously questioned by the student who later realizes that the time and energy has been well spent.

The honor roll consists of the names of the students who have an average grade of ninety or over for the half year. (The small number following the name represents the number of A's):

**Year 1931**

	A
Angelo Miniutti	5
Nellie Littlefield	3
Louise Adams	2
Mildred Hamor	2
Helen Bedell	2
Helen Hubbard	2
Barbara Hurd	2

**Year 1933**

	A
Marion Tufts	5
Marjorie Birch	4
Elizabeth Brown	4
Marion Willey	4
Marion Allen	3
Erma Sanville	2
Kathryn Hooke	2

**Year 1932**

	A
Floyd Randall	5
Mabel LaBreck	4
Ruth Drake	3
Mae Kennedy	3
Robert Stone	2
Clara Foster	2

**Year 1934**

	A
Ernest Bracy	4
Oliver Neal	4
Mary Sherbourne	4
Ruby Steere	4
Florine Fritz	3
Edwin Stromberg	2

The enrollment for the fall term has been larger than for the past few years. Of the seventy-nine pupils whose names were entered upon the register the average attendance has been reduced to 71.5 due to absences and two pupils that have dropped out altogether. Many

of the absences are caused by students who do not understand the real value of attendance toward their final rating. The four years of school life is part of that period known as the habit forming period of adolescence, providing a foundation for a fuller and broader life. School attendance should be of first consideration to a student, rather than a form of some immediate pleasure. In mature life duty comes first and pleasure taken only with discretion. We have the regular excuse system by which parents may cooperate with the faculty in giving reasons for a student's absence. This excuse, if exceptable gives the absentee the privilege of making up the lost work, otherwise no grade can be allowed for time lost, resulting in a lower grade for a semester average.

In the past on dark and stormy days the strain upon the eyes of the student busy at his books was severe until financial conditions allowed such changes to be made. During the past summer this situation has been cared for by the installation of electric lights throughout the building.

At the beginning of the school year the first steps toward the new "Six-Six" plan were introduced. This would mean six years in the regular grades, three years in the Junior High, and three years in the Senior High. Although the necessary room is not available for a course of this type at present the work is carried on as far as possible by Miss Perkins of the English department and Mr. Strout as the regular Junior High teacher.

The athletic association of the high school appreciates the action of the Twilight League and Community Club in exempting the high school from rental of the athletic field.

The basketball teams have been greatly handicapped in the past not only by the expenses of equip-

ment, travelling, guarantees, but by bearing the added expense of the hall. This expense cuts the number of practice periods and interferes with provision for equipment.

In closing I wish to thank the citizens for their cooperation and extend an invitation to visit our school.

Respectfully submitted,

VANCE L. McNAUGHTON,

Principal.

## HONOR ROLL

---

### Pupils not Absent One-Half Day

#### FIRST GRADE

##### Winter Term—

Eula Allen, Clayton Clough, Robert Hutchins, Anna Fiel, Neal Welch.

##### Spring Term—

Clayton Clough, Robert Hutchins, Anna Fiel, Earle Littlefield, Stanley Littlefield, Margaret Moulton, Ervin Rose, Marilyn Sheein.

##### Fall Term—

Arthur Coleman, Myron Goodwin.

#### GRADES TWO AND THREE

##### Winter Term—

Barbara Kezar, Leatrice Weymouth.

##### Spring Term—

Richard Day, Wadsworth Hardy, Imelda Lincoln, Emerson Randall, Everett Chadbourne, Lawrence Johnson, Bertha Littlefield, Arthur Tufts.

##### Fall Term—

Anna Fiel, Robert Hutchins, Marilyn Sheein, Leatrice Weymouth, Edward White, Lois Goodwin, Wadsworth Hardy, Robert Leslie, Imelda Lincoln, Emerson Randall, Jack Sheein.

## GRADES FOUR AND FIVE

## Winter Term—

Gertrude Adams, Olive Chadbourne, Margaret Lane, Stanley Tufts, Elroy Wyman, Pauline McCrellis, Elizabeth Kimball.

## Spring Term—

Gertrude Adams, Olive Chadbourne, Marcia Chick, Ralph Davis, Stanley Hatch, Frank Matthews, Maxine Meader, Leona Moulton, Olive Staples, Stanley Tufts, Christine Welch, Elroy Wyman, Ralph Hamor, Eva Marshall, Ralph Staples.

## Fall Term—

Lawrence Johnson, Arthur Tufts, Gertrude Adams, Stanley Hatch, Pauline McCrellis, Leona Moulton, Olive Staples, Stanley Tufts, Christine Welch, Elroy Wyman.

## GRADES SIX AND SEVEN

## Winter Term—

David Grant, Elizabeth Lane, Florence Weymouth, Margaret Bickford, Craig Lane, Barbara Welch, Donald Neal.

## Spring Term—

Rosanna Abbott, Elroy Littlefield, Edith Steere, Florence Weymouth, Robert Allen, Margaret Bickford, Jane Goodwin, Francis Kimball, Carroll Moulton.

## Fall Term—

Ralph Hamor, Elizabeth Kimball, Louise Staples, Ralph Staples, Gordon Whiting, Barbara McCrellis, Rosanna Abbott, Walter Fiel, Chesley Leach, Mary Leach, Elroy Littlefield, Edith McKinnon, Everett Rose, Florence Weymouth.

## GRADES EIGHT AND NINE

## Winter Term—

Ernest Bracy, Glendon Cole, Doris Eldridge, William Littlefield, Mary Sherburne, Ruby Steere, Frances Wyman, Ruth McCrellis, Jesse Tufts.

## Spring Term—

Ernest Bracy, Glendon Cole, Harold Grant, Oliver Neal, Mary Sherburne, George Guptill, Ruth McCrellis, Jesse Tufts.

## Fall Term—

Dexter Abbott, Jane Goodwin, Bertha Hatch, Ronald Neal, Robert Pickett, Ruth Staples, Evelyn Allen, Marie Hatch, Ruth McCrellis, Mary Staples, Clifford Wilson.

## DIVISION FIVE

## Fall Term—

James Hammond, Natalie Murray, Malcolm Hobbs. Sumner Murray.

## DIVISION THIRTEEN

## Winter Term—

Shirley Stillings.

## Spring Term—

Shirley Stillings, Priscilla Stillings.

## Fall Term —

Grace Hanson, Shirley Stillings, Frank Hall, Irving Hall, Gertrude Peters, William Peters.

## DIVISION NINETEEN

## Winter Term—

Edith Chadbourne, Ralph Winslow.

## Spring Term—

Adelaide Agren, Edith Chadbourne, Sarah Cole, May Johnson, Sumner Murray, Louise Staples.

## HIGH SCHOOL

## Winter Term—

Alice Estes, Curtis Goodwin, Mae Kennedy, Floyd Randall, Marion Allen, Edmond Littlefield, John Miniutti, Roger Steere, Marion Tufts, Grace Cheney, Elizabeth Hayes, Vinton Neal, Helen Hubbard, Angelo Miniutti, Forrest Stillings, Elsie Meserve.

## Spring Term—

Curtis Goodwin, Mabel LeBreck, Floyd Randall, Eula Wyman, Elmer Boyle, Everett Penney, Roger Steere, Marion Tufts, Grace Cheney, Helen Bedell, Helen Hubbard.

## Fall Term—

Elwood Abbott, Ernest Bracy, May Johnson, William Littlefield, Mary Sherburne, Ruby Steere, Helen Bedell, Angelo Miniutti, Edward Neal, Eleanor Stillings, May Kennedy, Floyd Randall, Eula Wyman, Kathryn Hooke, John Miniutti, Everett Penney, Geneva Roberts, Roger Steere, Marion Tufts, Marion Willey, Paul Staples, Frances Wyman.

**ANNUAL TOWN MEETING WARRANT**  
**STATE OF MAINE**

---

COUNTY OF YORK, SS.

To Harold C. Jones, Constable of the Town of North Berwick in said County of York.

GREETINGS:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of said Town of North Berwick, qualified by law to vote in town affairs, to meet in Commercial Hall in said North Berwick, on Monday, March 9th, 1931, at ten o'clock in the forenoon to act on the following articles, to wit:

1. To Choose a Moderator to preside at said meeting.
2. To see what action, under Chapter 92 of the Public Laws of 1919, the town will take in regard to Road Commissioner or Commissioners, to wit:
  - I. Will the town elect by major vote a Road Commissioner or Commissioners?
  - II. Will the town vote to instruct the Selectmen to appoint a Road Commissioner or Commissioners
  - III. Do the voters desire the Selectmen to act as Road Commissioners?
3. To choose and elect all necessary town officers for the year ensuing.
4. To see what sum of money the town will appropriate for support of common schools, for high school, for text books and for supplies.

5. To see what sum of money the town will appropriate for upkeep and necessary repairs of school buildings for the ensuing year.

6. To see what sum of money the town will raise to grade the school yard with gravel between the school house and the Baptist Church so that it will be suitable to erect playground equipment to be furnished by the Community Club as they are able to install it.

7. To see what action the town will take either in maintaining, or closing the following schools: Division 19 School, Division 5 School. Action being authorized by the Revised Statutes, Chapter 16, Section 2, as amended by the Public Laws of 1921. The Superintending School Committee recommending that Division 5 be maintained, and that Division 19 be closed.

8. To see if the town will appropriate the sum of \$157.50 to pay insurance premiums on village school house.

9. To see if the town will raise a certain sum of money for public nurse services and subject to the direction of the Superintending School Committee.

10. To see what action the town will take in authorizing the Superintending School Committee to hire Commercial Hall for physical training purposes, and to raise a sum of money for this purpose.

11. To see if the town will vote "yes" or "no" on the question of appropriating and raising money necessary to entitle the town to State Aid, as provided in Section 19, Chapter 25 of the Revised Statutes of Maine.

12. To see if the town will raise the sum of six hundred dollars, that being the maximum which the town is allowed to raise, for the building of permanent improvement of its suggested State Aid Highways and in

accordance with the reported recommendations of the State Highway Commission to the Municipal Officers, in addition to the amounts regularly raised for the care of ways, highways and bridges, under the provision of Chapter 25, Section 18, 19 and 20 of the Revised Statutes of Maine, amended by Public Laws of 1917 Chapter 258, and Public Laws of 1925 Chapter 182.

13. To see whether the town will vote to raise money, and what sum, for the maintenance to State Aid Highways, during the ensuing year, within the limits of the town, under the provisions of Section 17 of Chapter 25 of the Revised Statutes of Maine.

14. To see if the town will raise a sufficient sum of money to pay its proportion of the expense on the patrolled roads, under the provisions of Chapter 25, Section 26 of the Revised Statutes of Maine.

15. To see if the town will raise the sum of fifty dollars for the maintenance of patrolled roads, as provided by Chapter 25, Section 27 of the Revised Statutes.

16. To see if the town will raise the sum of \$996.00 under the provisions of Section 4, Chapter 260 of the Public Laws of 1929, for the maintenance of improved sections of Third Class Roads or to be used in connection with Third Class apportionment made by the State for the improvement of Third Class Roads.

17. To see if the town will vote to raise the sum of \$500.00 to continue a piece of permanent road begun in 1930 at the Sanford Town Line and leading toward the residence of Libby J. Staples. Agreeable to the petition of S. E. Hammond and nine others.

18. To see if the Town of North Berwick will vote to raise the sum of \$300.00 to repair the road from Fred G. Neal's driveway, past the Fred Howard Farm to Dutch's Corner. Agreeable to the petition of Fred G. Neal and seven others.

19. To see if the town will vote to rebuild the bridge on the road leading from the residence of Walter Guptill toward the Beech Ridge Church, and appropriate money for same.

20. To see if the town will vote to appropriate and raise a sufficient sum of money to continue the tar patching and the tarvia topping of the roads.

21. To see if the town will vote to apply the Hobbs' Fund to construct a piece of road leading from the Sanford Road near Wilbert Chadbourne's to Bauneg Beg Hill. Agreeable to petition of Roy W. Johnson and eight others.

22. To see where the town will vote to expend the income of the Judge Hobbs Trust Fund, for the ensuing year.

23. To see if the town will vote to appropriate and raise such sums of money as many be necessary for general repairs of roads, bridges and sidewalks.

24. To see what sum of money the town will raise to break the roads and clear the sidewalks in winter.

25. To see if the town will vote to raise such sum of money as may be necessary for the care and maintenance of the poor.

26. To see if the town will vote and raise a sum of money for the payment of its share of Mother's Aid, and if so how much, in accordance with the provisions of Chapter 222, Section 1 of the Public Laws of 1917.

27. To see what sum of money the town will vote to raise for hydrant rentals for the ensuing year.

28. To see what sum of money the town will vote to raise for the fire department for the ensuing year.

29. To see if the town will vote to purchase one thousand feet of hose for the fire department and raise money for same.

30. To see if the town will elect a fire ward as its fire inspector in accordance with the provisions of Chap-

ter 30, Section 47 of the Revised Statutes of Maine.

31. To see what sum of money the town will vote to raise for electric lights for the ensuing year.

32. To see what sum of money the town will vote to raise for contingent and incidental expenses for the year ensuing.

33. To see what sum of money, if any, the town will raise to defray the expenses of the observance of Memorial Day, and to whom the money raised shall be paid.

34. To see what sum of money the town will raise for interest upon Town Debt.

35. To see what sum of money the town will raise for the payment upon Town Debt.

36. To see what sum of money the town will vote to raise towards the expenses and maintenance of the D. A. Hurd Library.

37. To see what action the town will take regarding the cross connection between the pipes of the North Berwick Water Company and those of the North Brwick Company.

38. To see if the town will vote to fix the time for the payment of taxes assessed for the year 1931 and determine the rate of interest to be paid on overdue taxes.

39. To see if the town will vote to establish the salary per diem of its several officers in cases where no compensation is fixed and determined by law, including the Health Officer recently appointed under the provisions of Chapter 172, Section 10 of the Public Laws of 1919.

40. To see if the town will vote to accept the Jury List as prepared by the Selectmen.

41. To see if the town will vote to accept the Workmen's Compensation Act, and if accepted, appropriate a sum of money to cover insurance.

42. To see if the town will vote to raise a sufficient

sum of money to defray the expense of clearing the highways of Brown Tail Moth.

43. To see if the Town will raise the sum of \$650.00 to resurface the road leading from the residence of Frank Grant to the residence of Joseph G. Goodwin, and tar the same from the residence of Frank Grant to the residence of Edward Barbour. Agreeable to the petition of Clarence O. Sillon and seventeen others.

44. To see what sum of money, if any, the Town will vote to raise to help defray the expenses of some suitable celebration during the coming Summer for the one hundredth anniversary of the incorporation of the Town of North Berwick.

45. To see if the town will vote to raise the sum of \$500.00 to grade the Linscott Road so-called. Agreeable to the petition of Peter Gordon and nine others.

46. To transact any other business that may legally come before said meeting.

The Selectmen give notice that they will be in session for the purpose of correcting the list of voters, in said town, and hearing and deciding upon the application of persons, claiming to have their names entered upon said list, at the Selectmen's Room in said Commercial Block on March 5th, 6th and 7th, A. D. 1931, from 2 P. M. to 5 P. M. on each of said days.

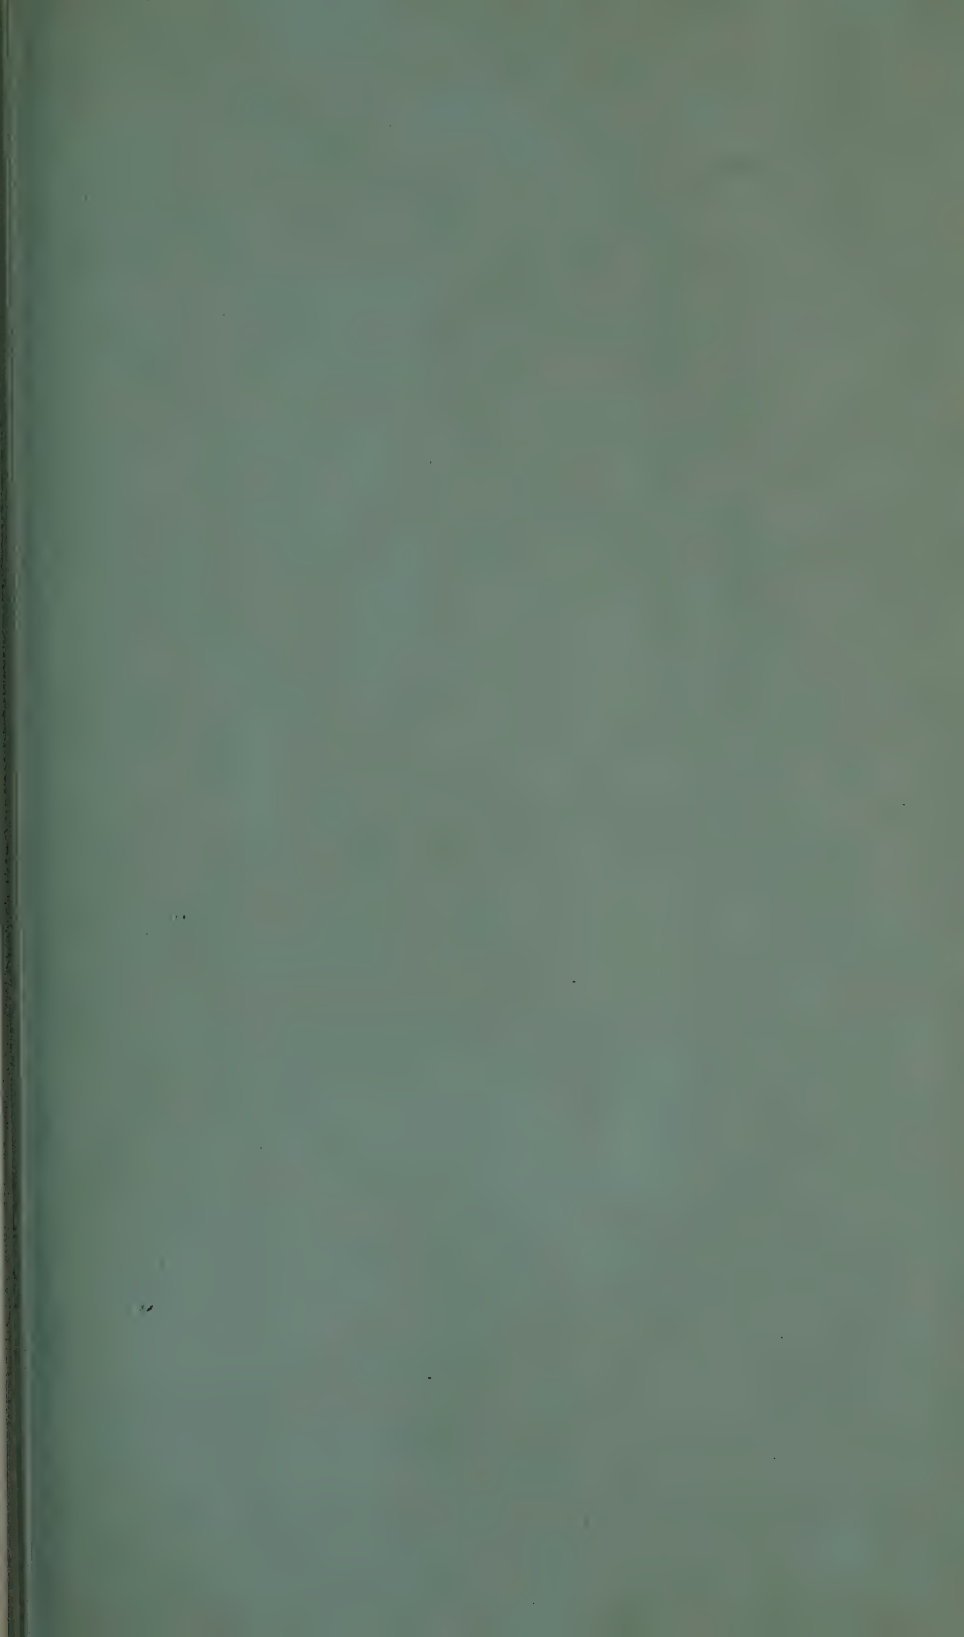

Given under our hands this fourteenth day of February A. D. 1931.

WILFRED R. DAY,  
CLARENCE M. STAPLES,  
EARL J. THOMPSON,

Selectmen of North Berwick, Maine.

A true copy. Attest:

HAROLD C. JONES,  
Constable of North Berwick.

<hr/>	
Overdrawn .....	\$ 35.52

In fairness to the foreman who had charge of the State Aid Construction, we think an explanation is necessary here, for although the above figures would seem to show to the contrary, there is actually no overdraft in this account as the provisions under which Special Resolve funds are available require a Town to furnish all material used, Special Resolve Fund to be expended for labor only. There being no appropriation to cover this expense of material, your selectmen deemed it advisable to avail themselves of the option granted by the State Highway Commission to cut the State Aid appropriation 23%, being the same porportion which our State Aid Apportionment was reduced, and use this reduction toward paying for material used in Special Resolve construction. This amount however (\$138.00) was not enough to cover the whole expense of material.

**LIBRARIAN'S REPORT**

---

In this Annual Report I am happy to say that interest in the work of the Library during the past year has not diminished but increased, especially among the students in our public schools.

By purchase and gifts the number of books in the Library is 4,465, a gain of 715 books during the year.

Our tables are well supplied with papers and periodicals that are of interest to both old and young.

During the past Summer the Tennis Court was opened to the public, and adults as well as children spent many pleasant hours in the playing of this healthful game.

Both the Town and the Library have sustained a great loss in the passing away of its generous donor, Mr. Daniel A. Hurd, but his substantial gift will cause him to be remembered by all in this community for years to come, and be a blessing in the life of both the Town and the State, tending toward better citizenship.

As stated in a previous report, we should be pleased if persons having books or phamplets relating to the early history of the Town, would place them in the Library, where those interested in such matters could conveniently examine them.

We hope that friends of the Library may remember it with bequests so that it's work may be successfully enlarged.

REV. W. H. GETCHELL,

Librarian.

Fifth Period—Monday, Nov. 28 to Dec. 23.

### **School Holidays**

May 30 and November 11.

### **Report of the Superintendent of Schools**

To the Superintending School Committee of North Berwick:

I herewith submit the annual report of the schools. This report is necessarily brief as my term of service has been for two months prior to the end of your fiscal year. As usual the financial report deals with expenditures from February 1, 1931 to January 30, 1932.

The school census taken April 1, 1931, which includes persons between the ages of five and twenty-one years, was 380.

The Junior High grouping with the resulting departmental teaching has been continued. Your former superintendent had planned to change the names of the grades but due to his acceptance of a new position those plans were not carried out. I recommend that instead of nine grades as at present we change to a system of a Sub-Primary and eight grades. You will note that with this change there will still be nine years of preparation for entrance to high school. To me the desirability of such a change is great. The new Course of Study sponsored by the State Department of Education is based on a Sub-Primary system. Our text-books in Language, Arithmetic, Reading and Geography are planned for a school grading made up of Sub-Primary and eight grades. By changing the names the books and State Course of Study will be easily applied to the proper group in our schools.

Last fall a Manual Arts course was introduced providing work for both Junior and Senior High School boys. One course is offered which may be taken by both boys and girls. It is expected that such a course with a full time teacher will be subsidized by the state for about two-thirds of its teacher expense each year. The hope is that a course calling for training of the hands in Manual Arts will keep many of our pupils in school who now leave at too early an age. In this way the high school loss of enrollment may be materially decreased.

Without doubt many minor repairs were made during the summer but I am unable to refer to them definitely.

I am told that the heating system at the high school building is inadequate and costs the town much more than it should for fuel. If a new heating plant might be installed which would reduce the amount of fuel consumed each winter the saving in that fuel over a term of years might well pay for the cost of installation.

### SCHOOL BUDGET 1932-1933

Common school .....	\$7,400.00	
High school .....	4,200.00	
Text books .....	750.00	
Supplies .....	600.00	
Manual Arts Overdraft .....	1,076.22	
Manual Arts ensuing year .....	800.00	
		<hr/>
		\$14,826.22
Public Health Service .....		250.00
Physical Training .....		100.00
Repairs .....		400.00
School yard grading .....		50.00
		<hr/>
		\$15,626.22

Reports from the High School Principal, the Music Supervisor and the Manual Arts teacher are included in separate reports.

I wish to express my appreciation of the cordial co-operation given by the teachers and school officials during my term of office.

Respectfully submitted,

JOHN S. CARVER.

February 15, 1932.

**TO THE SUPERINTENDENT OF SCHOOLS****JOHN S. CARVER**

---

I herewith submit my third annual report as Principal of North Berwick High School.

At the opening of the school year of 1931-32 there was an increase in the enrollment of approximately fifteen percent for the High School. This not only filled the rooms to their maximum capacity but caused an increase upon the lists of expenditures, for our equipment was not adjustable to the enlarged classes. The total enrollment of eighty-six has been reduced to the average attendance of eighty-one and fifty-six hundredths by an epidemic of whooping cough during the last few weeks of the fall term.

A new branch of study, Industrial Arts and Textiles, is now offered for the general course at the High School. These studies are very beneficial to the students limiting their education to that of secondary nature while the student preparing for the liberal arts college must avoid them as the liberal arts colleges do not allow credit for this work. The college preparatory student must pursue the courses that give the necessary credits for college admission. As a result of the introduction of these new courses slight changes have been made in the course of study which have been approved and accepted by the State Board of Education as our High School is of "Grade A" standing.

The course of study at the present time consists of three distinct branches; the College Preparatory course fits the student for any of the liberal arts colleges of Maine; the English-Scientific allows college entrance for Bachelor of Science degree or admittance to the trade and technical schools; while the general course permits

graduation from high school and is sometimes accepted by trade schools if the candidates rating satisfies the entrance requirements of that school.

The course of study as modified and accepted for the class A certificate is as follows:

College Preparatory	English-Scientific	General
FIRST YEAR		
Required		
English Algebra Latin Civics	English Algebra	English Algebra
Elective	General Science Latin Civics	Gen. Science Civics Manual Training
SECOND YEAR		
Required		
English Latin Geometry	English Geometry Anc. History	English Anc. History
Elective	French Latin Biology	Geometry Biology French
THIRD YEAR		
Required		
English Latin American History*	English American History* Chemistry* or Physics	English American History*

## Elective

Advanced Algebra	French	Chemistry*
Solid Geometry	Advanced Algebra	Physics*
Modern History*	Modern History*	Modern History*
Chemistry*	Solid Geometry	Textiles
Physics*		
French		

## FOURTH YEAR

## Required

English	English	English
Latin	American History*	American History*
American History*		

Elective: The same as the third year excluding those previously studied.

In some instances both the College Preparatory and the English-Scientific are modified to fulfill the requirements of the college to which the student wishes admission.

\* This signifies courses that are not offered every year.

The honor roll of North Berwick High School consists of the names of those students making a grade of A in two or more courses for the half year. (The number to the right indicates the number of grades made by the student.)

## Freshman

Helen Allen	4
Edith Chadbourne	4
Ruth McCrillis	4
Grace Hanson	3

		Mary Thibeault	2

As a representative of the Athletic Association of North Berwick High School I wish to thank the citizens of the Town of North Berwick for the assistance given the school as partial payment of Commercial Hall for athletic purposes.

Again just a word of appreciation for the cooperation of parents and citizens and to extend an invitation to parents and interested citizens to visit the schools and thereby strengthen the bond between school and home.

Respectfully submitted,

VANCE McNAUGHTON.

---

## REPORT OF SUPERVISOR OF MUSIC

---

To the Superintendent of Schools:

I herewith submit the annual report as Music Supervisor of the School of North Berwick.

The pupils of all grades have made great progress in all the rudiments of music. They are much interested in the work and anxious to get good results. The intermediate grades have been especially interested in an

appreciation course, for which, I am sorry to say, material has all been used. The high school glee club is about twice as large this year as last. A harmonica band has been organized in the Junior High and Grammar grades. An orchestra is now being organized in the high school which, I hope, will consist of about eight members. A few rhythm instruments have been made by the Manual Arts department for Grade I which they enjoy working with. We hope to add more instruments very soon.

I am glad of this opportunity to thank the Superintendent, the teachers and the pupils for their kind cooperation during the year.

Faithfully submitted,

AZALEA G. WILSON,

Music Supervisor.

---

## REPORT OF INSTRUCTOR OF VOCATIONAL EDUCATION

---

To the Superintendent of Schools:

A course in Industrial Arts was introduced with the opening of school in September, and herewith is submitted a report of the Vocational Training as given in the North Berwick Public Schools.

Instruction in Manual Training and Drafting has been made part of the regular program in the four upper elementary grades. Special classes are conducted for the lower grades. The High School course, of a trade-informative nature, consisting of Wood-working, Draft-

ing, Metal-working and Electricity, is available to all students. A course in Textiles is offered to Junior and Senior girls and boys.

Complete approval by the Division of Vocational Education, State Department of Education, of both elementary and secondary courses provides a substantial financial aid. This course may be favorably compared with those of other towns and nearby states.

Unfortunately, it is impossible in this report to outline all the advantages in maintaining this course; therefore, I strongly urge the townspeople to visit and see for themselves what has been done in organizing and putting into operation successfully a course which is so vital. Your School Committee, as well as former Superintendent W. E. Lane, deserve much credit for introducing this course.

I wish to express my sincere appreciation to the School Committee, co-workers, local industrial plants, and the many citizens for the splendid cooperation and ever-present interest.

Respectfully submitted,

GEORGE F. LOWD,

---

**NORTH BERWICK, ME.**

---

Feb. 22, 1932.

To the citizens and taxpayers of the Town of North  
Berwick:

I hereby certify that I have examined the accounts of the Selectmen, Treasurer, Superintendent of Schools and Tax Collector and find them correct with vouchers properly filed for all disbursements.

Respectfully submitted,

O. W. HAMMOND,  
Auditor.

---

**ANNUAL TOWN MEETING WARRANT  
STATE OF MAINE**

---

COUNTY OF YORK, SS.

To Harold C. Jones, Constable of the Town of North  
Berwick in said County of York.

**GREETINGS:**

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of said Town of North Berwick, qualified by law to vote in town affairs, to meet in Commercial Hall in said North Berwick, on Monday, March 14th, 1932, at ten o'clock in the forenoon to act on the following articles, to wit:

1. To choose a Moderator to preside at said meeting.

2. To see what action, under Chapter 92 of the Public Laws of 1919, the town will take in regard to Road Commissioner or Commissioners, to wit:

1. Will the town elect by major vote a Road Commissioner or Commissioners?

II. Will the town vote to instruct the Selectmen to appoint a Road Commissioner or Commissioners?

III. Do the voters desire the Selectmen to act as Road Commissioners?

3. To choose and elect all necessary town officers for the year ensuing.

4. To see what sum of money the town will appropriate for support of common schools, for high school, for text books and for supplies.

5. To see what sum of money the town will appropriate for unkeep and necessary repairs for school buildings for the ensuing year.

6 To see what sum of money the town will raise to grade the school yard with gravel between the school-house and the Baptist Church.

7. To see if the town will raise a certain sum of money for Public Health Service and subject to the direction of the Superintending School Committee.

8. To see what action the town will take in authorizing the Superintending School Committee to hire Commercial Hall for Physical Training purposes and to raise a sum of money for this purpose.

9. To see what action the town wishes to take regarding the heating plant in the high school building.

10. To see what sum of money the town will raise to pay the overdraft in the Manual Arts course.

11. To see what sum of money the town will appropriate to maintain the Manual Arts course for the ensuing year.

12. To see if the town will vote "yes" or "no" on the question of appropriating and raising money necessary to entitle the town to State Aid, as provided in Section 19, Chapter of the Revised Statutes of Maine.

13. To see if the town will raise the sum of six hundred dollars, that being the maximum which the town is allowed to raise, for the building of permanent improvement of its suggested State Aid Highways and in accordance with the reported recommendations of the State Highway Commission to the Municipal Officers, in addition to the amounts regularly raised for the care of ways, highways and bridges, under the provision of Chapter 25, Section 18, 19 and 20 of the Revised Statutes of Maine, amended by Public Laws of 1917 Chapter 258, and Public Laws of 1925 Chapter 182.

14. To see whether the town will vote to raise money, what sum, for the maintenance of State Aid Highways, during the ensuing year, within the limits of the town,

under the provisions of Section 17 of Chapter 25 of the Revised Statutes of Maine.

15. To see if the town will raise a sufficient sum of money to pay its proportion of the expense on the patrolled roads, under the provisions of Chapter 25, Section 26 of the Revised Statutes of Maine.

16. To see if the town will raise the sum of fifty dollars for the maintenance of patrolled roads, as provided by Chapter 25, Section 27 of the Revised Statutes.

17. To see if the town will raise the sum of \$778.00 under the provisions of Section 4, Chapter 260 of the Public Laws of 1929, for the maintenance of improved sections of Third Class Roads or to be used in connection with Third Class apportionment made by the State for the improvement of Third Class Roads.

18. To see if the town will vote to appropriate and raise a sufficient sum of money to continue the tar patching and the tarvia topping of the roads.

19. To see if the town will vote to expend the income of the Judge Hobbs Trust Fund beginning at a point left off at last year and continuing toward the residence of Hervey Wentworth. Agreeable to petition of Charles R. Hubbard and twelve others.

20. To see if the town will vote to apply the Hobb's Fund to construct a piece of road leading from the Sanford Road near the residence of Wilbert Chadbourne to Bauneg Beg Hill. Agreeable to petition of Roy W. Johnson and seven others.

21. To see if the town will vote to expend the income of the Judge Hobbs Trust Fund beginning at a point near the residence of Harry Hilton and extending toward the South Berwick Town Line.

22. To see where the town will vote to expend the income of the Judge Hobbs Trust Fund for the ensuing year.

23. To see what sum, if any, the town would recommend to take from the joint State Aid Account for the purpose of applying bituminous surface treatment to State Aid Roads built within the past five years in accordance with the provisions of Chapter 271, Public Laws of 1931.

24. To see if the town will vote to appropriate and raise such sums of money as may be necessary for general repairs of roads, bridges and sidewalks.

25. To see what sum of money the town will raise to break the roads and clear the sidewalks in winter.

26. To see if the town will vote to raise such sum of money as may be necessary for the care and maintenance of the poor.

27. To see if the town will vote and raise a sum of money for the payment of its share of Mother's Aid and if so how much, in accordance with the provisions of Chapter 222, Section 1 of the Public Laws of 1917.

28. To see what sum of money the town will vote to raise for hydrant rentals for the ensuing year.

29. To see what sum of money the town will vote to raise for the fire department for the ensuing year.

30. To see if the town will elect a fire ward as its fire inspector in accordance with the provisions of Chapter 30, Section 47 of the Revised Statutes of Maine.

31. To see what sum of money the town will vote to raise for electric lights for the ensuing year.

32. To see what sum of money the town will vote to raise for contingent and incidental expenses for the year ensuing.

33. To see what sum of money the town will vote to raise for salaries for the ensuing year.

34. To see what sum of money, if any, the town will raise to defray the expenses of the observance of Memorial Day, and to whom the money raised shall be paid.

35. To see what sum of money the town will raise for interest upon Town Debt.

36. To see what sum of money the town will raise for payment upon Town Debt.

37. To see what sum of money the town will vote to raise towards the expenses and maintenance of the D. A. Hurd Library.

38. To see if the town will vote to fix the time for the payment of taxes assessed for the year 1932 and determine the rate of interest to be paid on overdue taxes.

39. To see if the town will vote to raise a sufficient sum of money to defray the expense of clearing the highways of Brown Tail Moths.

40. To see what sum of money the town will vote to grant and raise to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine.

41. To see if the Town desires to adopt the following ordinance: "All plumbing hereafter installed in the Town of North Berwick and all permits issued and fees collected shall conform to the 'Rules and Regulations of the Department of Health and Welfare of Maine in Relation to Plumbing Work Done Within the State' under authority conferred by Chapter 22, R. S., Section 4 and 12 of Maine, and Chapter 235 of the Public Laws of 1931 and as may be amended from time to time."

42. To see if the town will vote to discontinue the road leading from the State Highway near the residence of Hannah Nowell to the Weymouth Road at a point near the residence of Joseph G. Goodwin.

43. To see if the town will vote to discontinue the road from the residence of Harry Staples to State Highway number 214.

44. To see if the town will vote to discontinue the road from the corner near the residence of Maynard Johnson across the Adams Bridge to the Weymouth Road.

45. To see if the town will raise the sum of \$225.00 (Two hundred twenty-five dollars) to finish the surfacing of Meader Street. Agreeable to the petition of Chester A. Batchelder and ten others.

46. To see if the town will vote to charge all non-resident pedlars a yearly license of \$25.00 or whatever sum they see fit. Agreeable to petition of E. B. Brown and seven others.

47. To transact any other business that may legally come before said meeting.

The Selectmen give notice that they will be in session for the purpose of correcting the list of voters, in said town, and hearing and deciding upon the application of persons, claiming to have their names entered upon said list, at the Selectmen's room in said Commercial Block on March 10th, 11th and 12th, A. D. 1932, from 2 P. M. to 5 P. M. on each of said days.

Given under our hands this twenty-third day of February A. D. 1932.

WILFRED R. DAY

CLARENCE M. STAPLES

EARL J. THOMPSON

Selectmen of North Berwick, Maine.
